"HAVING FUN WHILE RAISING FUNDS"

**Cincinnati Children's Heart Institute/Kindervelt
Neurodevelopmental and Educational Clinic**

VOLUME 13 ● ISSUE 8
April 2015

From the President

Happy Spring! Looking at the Projects Calendar for April and May, we should be a busy group of ladies for that last push of fundraising before the Annual Dinner next month. We have Fashion Shows, Raffles, Cabarets, Derby Parties and Buncos – just to name a few. It looks like it will be a fun couple of months for us all.

Speaking of Annual Dinner, be sure to mark your calendar for May 20th. The meeting will be held at the Cincinnati Woman's Club. See the information from Diana Scrimizzi later in the newsletter and make plans to attend. Diana is planning a fun evening for us all, so look for the invitation and sign your group up to attend. This is our time to relax and enjoy distributing the fruits of our year-long labors. I encourage everyone to come and share in the joys of giving to others through our check presentation.

Nominating Chair Terri Mitsch is still looking for interested people for two positions on next year's Board of Trustees, and one person for the Nominating Committee. If you would like more information about these positions please contact Terri at kvnomchair@kindervelt.org or me at kvpresident@kindervelt.org.

April is the month to start the transition to next year. It is the time to turn in officer lists for your group for next year. The new Guide Book is in the works so please turn in the lists as soon as you can. April is also the time for the final Liaison meeting of the year. Current group presidents should bring the incoming president to the Liaison meeting so that she can get a taste of Kindervelt workings in a small group environment. It is a wonderful time for sharing information and enthusiasm!

APRIL IS NATIONAL VOLUNTEER MONTH. KINDERVELT AND CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER THANK ALL THE WONDERFUL VOLUNTEERS AND SUPPORTERS OF KINDERVELT. THANKS FOR ALL THAT YOU DO

Linda Lunceford
City President

Caleb

"Caleb had life-saving open heart surgery as a newborn. He continues to follow up with Cardiology and is doing great. He also sees the Cardiology Neurodevelopmental Clinic and through them has gotten plugged into speech therapy and occupational therapy to give him the extra support he needs. Overall, thanks to all of his medical providers, Caleb is a pretty typical little boy. Cincinnati Children's Hospital Medical Center continues to Change the Outcome for Caleb!"

Member Highlight – Valerie Taylor

Valerie grew up in Dayton and graduated from Miami University with a Bachelors degree in Psychology and Wright State with an MBA in Quantitative Business Analysis. She worked as a Market Research Analyst for EF MacDonald. A little known fact is that Valerie is a published author of romance novels.

Valerie is married to John Finochara, a lawyer for P&G, and has two grown children, Michael and Jane (in college). As a family they enjoy camping and traveling. Val also has a long list of diversified interests including: local residential chicken raising, setting up a farmer's Market in Montgomery, and running a food listserv. She is a past moderator of a local Freecycle group. In her free time, Val likes reading, cooking and gardening.

Valerie joined Kindervelt #22 around 1996-7. She and her family had just moved to the Montgomery area and found that many of her new neighbors were involved with Kindervelt. She thought it would be a fun way to get involved in the community. Valerie served as her group's President and Markt Rep, on several Markt Steering Committees, and as Co-Market Chair with Sue Crosby in 2014. Their Market and Gala was held at the Syndicate in Northern KY and was a great success. Many new ideas and exciting features were added and will continue to make our Kindervelt Gala a fun evening of fundraising.

The best thing that Val has found about being a long-time member of Kindervelt is meeting all the very cool women (and men) who come together to make Kindervelt a family. An aphorism that Val lives by is, "Happiness is less about having what you want than about what you have."
We are glad we have you, Val, in Kindervelt!

**It is with heartfelt gratitude that we acknowledge those who chose to give!
We are profoundly touched by your kindness, your friendship and your continued loyalty to Kindervelt.
Your generosity is changing lives for the better, and forever.**

Mount Notre Dame High School had a bake sale for their Senior Capstone Project. They chose Kindervelt as the beneficiary and we are so grateful for their \$200.00 donation.

Kindervelt received a \$100.00 check with a note that read, "On behalf of the membership of Western Hamilton County Fraternal Order of Police Lodge 84, please accept this donation in appreciation for your continued research, support and care that you provide for our children in the community."

Joey Campbell, a 2014 graduate of Indian Hill High School was memorialized with a donation from Kindervelt #4. His mother and aunt are both members of the group.

Memorial contributions were made in the memory of Christian Rainier - grandson of Beverly Rainier. They were given graciously by Cindy Metz, Marjorie Duffy and the Westside group #68.

Barb Wedinger was lovingly remembered with a gift by her former group, Kindervelt #16.

Kindervelt #4 generously donated in memory of Louise Spalding. Louise was a long-time and founding member of the Kenwood/Indian Hill group.

Donations were also received by KV #4 in remembrance of Raymond Croop and Thomas Croskey. Raymond is the husband of Marge Croop and Thomas is the husband of Lizz Croskey. Both women are long-time and founding members of the group.

The memories of Elmer Baute, Joyce Collins Mintz and Butch Newsom were all honored with a contribution to Kindervelt from Cindy & Jim Metz.

Group Highlight

Kindervelt #22 - Montgomery

Woven into the 27-year history of Kindervelt #22 is an interesting but, perhaps, unsurprising fact: A number of its leaders have been inspired to serve out of personal gratitude toward Cincinnati Children's Hospital. That's certainly been the case for President Kelli Green, who is just finishing her second term and has signed up for a third at the helm of the Montgomery-based chapter.

Kelli's path to president began with a tragedy in her community in 2010. A Sycamore High School swimmer, Jose Cerda Navarro, died suddenly on his 18th birthday as the result of an undiagnosed heart defect. That sad news made its way to Darren Sudman, a Sycamore alum, and his wife, who had begun a charity to pay for children's heart screenings in memory of their young son, Simon, who had died of sudden cardiac arrest. Jose's death led the Sudmans to offer complimentary screenings for student athletes at CCHMC's Heart Institute in 2011.

Kelli decided to take advantage of the opportunity and had her son Matthew, then a high-school freshman, screened. A gifted athlete who, from all appearances, was as healthy as the proverbial horse, Matthew balked at spending time at the hospital instead of going to his little brother's soccer game. It would be, surely, the loss of a nice autumn day, all for naught.

Except that it wasn't. Shortly after the Heart Institute team finished Matthew's EKG and echocardiogram, the Greens were hit with the news that Matthew's heart had a small hole, called an atrial septal defect. Although it didn't put him at risk for sudden cardiac arrest, the defect would have certainly affected his quality of life over time.

Suddenly Kelli, a longtime Kindervelt member, experienced Cincinnati Children's Hospital from the perspective of a mom instead of a volunteer. And it confirmed what she had always known: that the Greater Cincinnati community is incredibly fortunate to have such a world-class hospital here for our children's medical care.

"They took great care of Matthew. The anesthesiologist happened to be a Sycamore mom, and she was wonderful, put us immediately at ease. Matthew had a slight complication with his intubation, but they never made us feel alarmed," Kelli said. "And afterward, we had to have our other kids tested—each of them spent an entire day there. It really impacted our whole family."

On Feb. 28, 2012, Dr. Robert Beekman performed a cardiac catheterization and implanted an Amplatzer septal occluder into Matthew's heart to fill the hole. By March 30, he was cleared to resume normal activity and began playing freshman baseball for Sycamore High School.

The following year, as Kindervelt's financial commitment to the Division of Asthma Research drew to a close, it was the Heart Institute that was named as the next beneficiary. And the year after that, Kindervelt #22 was ready to nominate a new president.

"I wanted to give back, and knowing that the commitment was specifically for the Heart Institute and what a godsend it had been to us, it was kind of a no-brainer," Kelli said. "It's a small sacrifice, considering everything they did for us."

Call it fate. Call it serendipity. Whatever it was, for Kelli Green—who had never really envisioned herself leading the chapter—the journey had come full circle. Kindervelt ... Sycamore ... the Heart Institute ... her son. It's the stuff that presidents are made of.

The Barbara Fitch Award

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the City Vice President who serves as Chair, the Immediate Past President, the Immediate Past Market Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be **dedicated and committed**; one who is **an ambassador for Kindervelt in the community**, who is **an active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the attached *Barbara Fitch Award Nomination Form* no later than April 25, 2015. In order to give a complete understanding of your nominee's qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you
