"HAVING FUN WHILE RAISING FUNDS"

Cincinnati Children's Heart Institute/Kindervelt  
Neurodevelopmental and Educational Clinic

## From the President

VOLUME 14 ● ISSUE 2  
September 2015

The summer has flown by – I hope that everyone found time to relax and enjoy the sun. Now that the summer is waning it's time to ramp up our Kindervelt activities. This includes seeing our Kindervelt friends whom we have not seen the past couple of months. This is an exciting time as we come together again refreshed and full of energy for "having fun while raising funds".

Even though we did have more time for relaxation this summer, some groups were busy with summer events. The work of Kindervelt continued with many groups having House Tours, selling programs at the Western & Southern Open, having Pool Parties, hosting Bunco events, organizing Blood Drives and many other activities. It was time well spent as you spread your enthusiasm for Kindervelt and Cincinnati Children's to new neighbors and friends.

Thank you to all members who stepped forward to take a leadership role in your group by agreeing to fill an officer position. It is a really fun and rewarding way to help with raising funds. Also, a big thanks to all the members of this year's Board of Trustees and the Nominating Committee. I look forward to an exciting year together!

This fall brings many membership opportunities to reach out to neighbors to join and share in our excitement. I encourage each of you to promote Kindervelt and the good works we do by inviting a new neighbor or friend to attend one of your Kindervelt meetings. This could lead to a new member and would increase our membership to a new level. By increasing our visibility, we can increase our membership and accomplish more. More willing hands mean we can spread the work and feelings of satisfaction among many. We can make this happen if we continue to share our commitment and enthusiasm!

I look forward to seeing you all at upcoming Fall events and meetings – it's going to be a sensational year!

Linda Lunceford  
City President

### Join the Board of Trustees for the 2015-16 year.

\* We are in need of a Publicity Chair for the Citywide Board. This position entails getting Kindervelt news and events out to the public through all modes of media.

\*The "Let the Good Times Bowl" Committee needs a chair-elect with the plans to chair the event in 2017. This is a fairly new citywide event that is making great strides in becoming one of our biggest events.

## **Background on the Kindervelt Neurodevelopmental and Educational Clinic**

With the new year upon us, and in the spirit of back to school season – let's go back to the basics of what we are raising money for this year. As we embark on our final year of our commitment to the Heart Institute, we hope you enjoy this “refresher course” about the Neurodevelopmental and Educational Clinic.

Specialized care for children with complex heart problems does not stop once your child's heart condition is managed.

The Kindervelt Neurodevelopmental and Educational Clinic (NDEC), directed by [Dr. Haleh Heydarian](#), MD, is one of only a few programs in the country that provides individualized care designed to maximize your child's future.

### **How does the Kindervelt Neurodevelopmental and Education Clinic Help Children?**

Research shows that children with complex heart problems are at a greater risk for neurodevelopment issues when compared to heart-healthy children. Many of these children experience one or more mild deficits across a range of areas. The NDEC can help with:

- The developmental assessment of infants, toddlers, and pre-schoolers to maximize school preparedness
- School difficulties, such as problems with reading, writing, and math
- Difficulties with speech and/or language in infants, toddlers, pre-schoolers, and school-age children
- Feeding problems in infants, toddlers, and pre-schoolers
- Attention, behavioral and emotional problems
- Problems getting along with friends and family
- Issues with task management and organization
- Delayed fine and gross motor skills

Identifying these problems as early as possible allows children to gain access to beneficial supports while they are young, and builds a solid foundation for later learning and future success.

### **Our Neurodevelopmental Team**

The Kindervelt NDEC offers specialized neurodevelopmental care to children and adolescents with a history of heart disease. This clinic is unique for many reasons. Most importantly, families and children have access to ongoing neurodevelopmental care as the child grows and develops over time. Our multidisciplinary team provides a comprehensive neurodevelopmental evaluation for infants, toddlers, children and adolescents and provides families with the appropriate surveillance, screening, evaluation, and treatment resources needed to ensure the best outcomes.

## More From the Heart Institute.....

### The Step-by-Step Process

The information below outlines what the typical process looks like for a patient visiting the clinic.

#### Step 1: The initial Neurodevelopmental and Education Clinic Visit:

This day includes a screening visit where a family meets with many different providers who assess the child for any developmental concerns that need further evaluation.

**Step 2: Comprehensive Evaluation:** Schedulers work with the family to set up the testing and follow-up appointments that were recommended during the initial visit.

**Step 3: Case Conference:** After the child's recommended follow-up appointments have been completed, the results of these evaluations are discussed at a monthly case conference meeting with the entire Neurodevelopmental and Education Clinic Team. Once this conference has taken place, the family receives a phone call from a provider to discuss results and an updated plan. A letter is also sent which summarizes the information.

**Step 4: Support in School:** If the child is currently in school or preparing to enter school, the Educational Care Team partners with the family to share the results of the comprehensive evaluation with the child's school. Sharing this information will help to access the educational support that the child needs. The Educational Care Team is available to support pre-school and school-aged children.

**Step 5: Long-term follow-up:** As the child grows and develops, The NDEC will provide continuous monitoring and offer age-appropriate support, follow-up screening, reevaluation, and assist with recommended treatments.

### Congratulations Kindervelt #76

for being the 3rd place winner in the Hoxworth Bleed for a Cause event. Shown is Susie Kelley receiving the check for \$2,750 from Hoxworth. Great Job!

# Member Highlight

## Susan Hammoor Deye

Susan Deye joined Kindervelt #68 over 25 years ago as a way to stay connected with women in her neighborhood area. Her mother, Marjorie A. Duffy worked at Children's Hospital in the Admitting Dept. so Susan knew the importance of supporting our wonderful hospital. Susan grew up and attended schools on the Westside and even went to The College of Mount St. Joseph. She met her husband, Dave, at a party and has been married for 37 years. Together they have raised two children and are enjoying the full benefits of being grandparents.

KV #68 Westside is a very committed group and was one of the four groups from the western part of Cincinnati. Susan has held the positions of President (2 terms), Secretary, and Markt Rep. Her Board of Trustees positions included Service Chair, Membership Chair, Publicity, and Community Relations.

Susan was an integral part of our partnership with the "Smart Talk Series" which brought dynamic speakers to the Aronoff. She was also a part of the committee who brought "Shop for a Cause" at Saks 5<sup>th</sup> Ave downtown, lunch at the prestigious Palomino Restaurant, and shopping days at Gilson's in Madeira. Kindervelt #68 held a new event this year, "Kindervelt Cabaret for the Heart of it" and she was involved with obtaining Liz Schurrer for the event as a guest speaker. Susan is currently serving as Publicity Chair for both the "Let the Good Times Bowl" committee as well as the Market Steering Committee.

Susan has many hobbies, including her love for photography, cooking, reading, and sewing. Her community involvement includes membership of St. Teresa of Avila, involvement with St. Antoninus, St. Ursula Academy, Saint Xavier High School, and Impact 100.

Her mother Marjorie is also an active member of KV #68. They work together on many projects, but it is Marjorie's love for selling raffle tickets and promoting a "chance to win" that she finds most enjoyable.

Thank you to both Susan and Marjorie for their longtime commitment to "having fun while raising funds".

# Oktoberfest Soft Drink Booth Fundraiser

Kindervelt will be running a soft drink booth for Oktoberfest Zinzinnati on September 18, 19, & 20, as a fundraiser for Kindervelt Market & Gala!

We will receive a payment to run the booth plus we will also collect tips throughout the weekend! This is a great opportunity to raise money, inform people about Kindervelt, and invite them to attend our Market and Gala!

We would love to have Kindervelt members, friends, and family to sign up to work a shift at the booth! We welcome students who need to earn service hours--we just need to have one adult in the booth and 2 people total at all times. There must be one Kindervelt member in the booth for each shift. This job is easy and fun! We will provide further instructions before the date of the event.

Please sign up to work a shift and then enjoy the event!  
There will be lots of great food, drinks, and music at Oktoberfest Zinzinnati!  
Click [HERE](#) to sign up.

If you have any questions on signing up for a shift, please contact Stacy Durr-Stainton 513-686-0988.  
If you have any questions about this fundraiser for Kindervelt Market, please contact Ree Pebler 513-227-6164.

KINDERVELT #24 - PIONEERS PRESENTS

## SURVIVOR

NFL Survivor will test your skills in picking one NFL winner every week. Keep in mind you can only pick a NFL team once so choose carefully!

A Survivor league is where each person picks a team they think will win each week. Once you pick a team, you cannot pick that team in subsequent weeks. You cannot change your pick for the week, after the first game begins. Whoever is the last person left wins. In the event of a tie on correct picks, entries are ranked based on the combined record of the NFL teams not yet picked. Should a tie still exist, entries will be ranked based on timestamp of the latest pick made.

Once there is a winner, we will start a new round. Each round costs \$20. The winner will receive 20% of the overall pot for each round. Second place will receive 10%, and 3rd place will receive their \$20 back. The remaining balance will go directly to Children's Hospital through Kindervelt. If you register, but do not pay the entry fee by the start of the first game in a round, your picks will not count for that round.

Deadline for the 1st round is September 10 at 8:30PM.

## KINDERVELT#8's NORTH POLE EXPRESS

### HITS THE TRACKS NOVEMBER 21

For the past 17 years, literally thousands of families have enjoyed the tradition of rolling in the holidays on board the Kindervelt North Pole Express.

For one day only, on the Saturday before Thanksgiving, November 21, Wyoming's Kindervelt Group #8 will again host this fun event, with the vintage train departing from the Lebanon Mason and Monroe Station in historic Lebanon.

Included in the festivities are cookies, cocoa or coffee, costumed characters, narration of the book, The Polar Express (copies available for sale), Christmas carols enthusiastically led by elves, a personal visit with Santa and much more. Photo opportunities abound, and your children will be providing you with plenty of smiles. And pajamas are welcome on all rides!

The train has seven departure times, from 10 a.m. to 5:30 p.m., with each ride lasting 45 minutes. Tickets are \$18.00 per person. Group tickets must be ordered together. Information and order forms for tickets can be downloaded at [www.kindervelt.org](http://www.kindervelt.org), or ordered through the hotline at (513) 588-0074.

As in the past, all proceeds go towards Cincinnati Children's Hospital Medical Center, specifically the Heart Institute/Kindervelt Neurodevelopmental and Educational Clinic.

Don't miss out on all the fun!

ORDER FORMS TO BE POSTED ON KINDERVELT WEBSITE IN THE NEAR FUTURE.

As in the book, *The Polar Express*, pajamas are welcome on the Kindervelt North Pole Express. However, bears must limit their frolicking to the great outdoors.

#4: Before the big event, Group #8 members were busy preparing the train and the site. Shown: JoAnne Edie, Kristen Gettins and Susan Colton.

On the 45 minute rides, a storybook reader, elves, and Mr. C. himself provide plenty of entertainment.

The Riley family from Sharonville were excited about their first ride on the festive holiday train in 2014.

The **Let The Good Times Bowl** committee held their first meeting on August 20th to kick off the 2016 marketing efforts for the 4th annual KV Citywide event. In the three years since the inception of "Let The Good Times Bowl, year over year has shown a steady growth path. Beginning in 2013 with gross revenue of \$6130 and net of \$2,338, to last year's gross of \$14,992 and net of \$10,771.

For 2016, the "Let The Good Times Bowl" committee has set a lofty goal to net \$20,000. To maintain the "for a good time" fun factor, the prime location of Newport on the Levee is believed capable to sustain our compounding year over year growth.

Our marketing efforts will concentrate on small, medium and large corporate companies to send teams for a "Team Building" event while supporting the Kindervelt mission. We are currently compiling lists of industry specific companies such as attorney groups or firms, construction related industry, fire and police, light to medium manufacturing, restaurant association, and others.

In an effort to jumpstart our efforts we are asking all Kindervelt members for a "referral". We would like you to provide a key person that you may know in an industry that we can add to our list. Just a name and phone number is all we need. Our marketing team will do the work.

Please send your referral contact's information to:  
Bill McBrayer  
bill.mcbrayeriii@gmail.com

Let the Good Times Bowl is gaining traction to become one of the major Kindervelt fund raising activities of the year. Thank you for being a part of us reaching that goal.  
We look forward to our continued growth of "Having Fun While Raising Funds".
