"HAVING FUN WHILE RAISING FUNDS"

**Cincinnati Children's Heart Institute/Kindervelt
Neurodevelopmental and Educational Clinic**

From the President

VOLUME 14 • ISSUE 5
December 2015

As the days fly by and the Holidays come rushing toward us, we often miss the simplest things that are right before us – our health, our families, and our gratitude for friendships. For me, many of those friendships have come from relationships through Kindervelt! So this Holiday Season, take a moment to be grateful for our blessings and for each other. Kindervelt is a shining organization whose success is truly among its members. Although we are scattered throughout the Tri-State we are bonded together through our efforts to “raise funds while having fun”!

Market/Gala 2015 was a rousing success. Congratulations to Ree Pebler and her Steering Committee for organizing such a fabulous event. The new format of a stand-alone Gala came together well. The facility was beautiful and filled with Silent and Live Auction items, Crafts, Bakery, Games and Raffles. A good time was had by all as we socialized, bid and played our way through the evening. The three Mini Markets for craft sales proved to be very popular – the new timing for a Halloween/Fall sale was especially busy. Ree and her Steering Committee deserve a huge round of applause and our sincere thanks for organizing such a successful event. I would also like to thank the Market reps and members who held workshops, carted merchandise, collected donations and organized group members. Whether you baked or crafted, helped set-up or shopped, you played an important part in the success of Market. Thank you to each one of you.

This is the time of year to be thankful and count our blessings. I am thankful for each and every Kindervelt member and for what you do, no matter how small. To give of your precious time to an organization that supports Cincinnati Children's hopefully is a blessing in your lives.

On behalf of the City Board of Trustees and myself, we send to you and your family the very best wishes for a happy Holiday Season. As we look forward to the New Year, we hope for much success in our endeavors on behalf of Cincinnati Children's and a happy, healthy 2015 for all our Kindervelt family.

HAPPY HOLIDAYS!

Kindervelt Gala was a huge success! Everyone who came to "Celebrate" our 40th Anniversary enjoyed a beautiful venue, delicious dinner, great band, great friends and did lots and lots of shopping and donating to The Heart Institute!

Still too early to announce our success. We still have bills to pay, money to collect, raffles still going on and post market sales at your December meetings with all of your individual groups!

I do want to thank so many of you for all your help all year in making this a wonderful event! Every effort, no matter how big or small, was so appreciated! It's hard to imagine how much hard work, energy and how many people it takes to make it come together...market reps, presidents, KV members, donators, family & friends, volunteers helping unloading the truck, setting up grids, bakers, crafters, those getting donations for live and silent auctions, volunteers helping with raffles, games, auctions, checkout, those staying to tear down Gala in an hour in a half and loading the truck back up for another years event! Whew, what a whirlwind! Thank You! Thank You! Thank You!!!!

Kindervelt Continues Legacy of Support.

In what has become a favorite tradition, Kindervelt members reveal how much they've raised for the Kindervelt Neurodevelopmental and Educational Clinic at the Heart Institute at Cincinnati Children's.

Partnership Matters

Kindervelt Continues Legacy of Support

Cincinnati Children's is fortunate to have so much hometown support, including that of our largest fundraising auxiliary – Kindervelt.

Recognized as one of Greater Cincinnati's most outstanding volunteer organizations, Kindervelt commits to raise money for specific departments or divisions at the medical center for four years at a time. Most recently, the group announced it has raised \$502,000 for the Kindervelt Neurodevelopmental and Educational Clinic in the Heart Institute, which helps address the many developmental needs that can be associated with children who have heart conditions.

The group holds large-scale events, like their Gala and Market, as well as smaller fundraisers like wine tastings, bingo, bake sales and more. The group's total donations top more than \$17 million, and have helped the Division of Asthma Research, Division of Adolescent Medicine, Cardiovascular Research and so much more. Kindervelt successes...

KV #56 sends big Thank You to all who helped make our contributions to Market and Gala a big success. All of our crafters are to be commended for their hard work all year long.

Terry Linneman worked his wood working magic; Carolyn Riehle and Terri Mitsch hosted craft workshops; and Debbie Linneman, Sheila Horan and Tom Horan helped with our silent auction items.

Libby Baker, Debbie Linneman, Nancy Bassarab, and Sheila Horan worked Friday setting up the games, displays and selling raffle tickets.

Ruth Wiley, Abbey Pfeffer and Olivia Fehrenbach were a persuasive force behind the Stocking Game display.

Special Thanks to Cheryl Parker for donating her quilt pieces and Swarovski bracelet.

And of course...Thanks to our member and City Wide President, Linda Lunceford who is always present at all events, willing and able to lend a hand or give advise. Her husband, William is also a huge help and his presence is very much appreciated.

IT NEVER RAINS ON BOARD

THE NORTH POLE EXPRESS

An hour or so of rain during the afternoon of Saturday, November 21, only made the cozy interiors of the cars of the North Pole Express all the more inviting. Once again sold out several weeks before the event, this 17th running of KV#8's holiday ride proved to be another winner.

It was the usual busy 12 hours on the day of the event, but the job was made much easier for the members by the assistance of many loyal volunteers, including dozens of students from several area high schools. More than 1800 passengers, some coming from great distances, enjoyed their time in Lebanon, as the KV#8 members and volunteers entertained them both on the historic depot grounds and on board the vintage train.

At day's end, as the members of KV#8 and their helpers packed up their garlands, songbooks and extra bells and chocolates, they all had a great sense of accomplishment. The past three months of intense work, backed up by the 17 years of experience of the long-term members, resulted in an excellent holiday adventure on the rails and a generous contribution towards Cincinnati Children's Heart Institute.

The bell still rings for the members of KV#8 "as it does for all who truly believe."

KINDERVELT OF CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER
“...Having FUN while raising FUNDS”

THE BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the City-Wide Vice President who serves as Chair, the Immediate Past President, the Immediate Past Market Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be **dedicated and committed**; one who is **an ambassador for Kindervelt in the community**, who is **an active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.
