

Kindervelt

"HAVING FUN WHILE RAISING FUNDS"

Cincinnati Children's Heart Institute/Kindervelt
Neurodevelopmental and Educational Clinic

From the President

VOLUME 14 • ISSUE 7
February 2016

As I was looking over my stack of old Kindervelt files I came across this great acrostic for being a volunteer. It was published several years ago, but I think that it still applies and is worth printing again.

Volunteer means not being paid to do something
Often means hard work
Love in your heart to help others
Understanding others' needs, not just your own
No one is better than anyone else, some have more
Take time from your schedule to help others
Everyone is different – that's a great thing
Educate yourself on ways to help other people
Realize that giving is better than receiving

How much this applies to all of our members who give so much of their time and talents throughout the year. The growth and prosperity of our organization depends on the willingness of our members to meet new challenges, whether it is a new group project or a new role as a leader in Kindervelt. There are many ways to be more involved and all are truly rewarding.

As Kindervelt works to increase our membership numbers and its visibility in the community, I ask each of you to encourage people to support our projects and join our organization. Always talk proudly about Kindervelt wherever you are and be alert for opportunities to expand into neighborhoods where we have not yet established or no longer have a presence. Together we can help our wonderful organization grow.

Part of keeping Kindervelt strong is stepping forward to take your turn at leadership. The nominating committee is currently working on the 2016 Gala Steering Committee. In the next week or so, they will be looking for volunteers for the 2016-17 Board of Trustees. These are two groups that are very fun because you get to work with people from across the city whom you may not normally meet. If you are interested in joining either of these committees, please contact Donna Boggs.

The time for group officer nominations is also approaching. Leadership at the group level is just as, in not more, important than citywide. You are the face of Kindervelt in your community. A vibrant, friendly group attracts members to our cause. Please consider giving the best of yourself by becoming more involved or tackling a new challenge. There are many ways to participate and all are appreciated.

Linda Lunceford
Kindervelt City President

My Experience at Cincinnati Children's

This article was written by Shirley Morand who is a member of Kindervelt #11 Loveland. Shirley has been a Kindervelt member for 14 years.

This is the story of a bright, curious, fun-loving and vivacious 7-year old girl, my granddaughter, Maddie. Since her birth, she has spent a considerable amount of time at Cincinnati Children's Hospital Medical Center. We are blessed to have her and she is blessed to have the resources of CCHMC. Even before Maddie was born we were aware that there was an abnormality. At 25 weeks prenatal, a 4-chambered view of the heart ultrasound detected a major heart defect.

Maddie was born at Good Samaritan Hospital and transferred to CCHMC just hours after her birth. The first ten days of her life were spent in the Cardiac unit where she underwent numerous tests. Maddie was diagnosed with Tetralogy of Fallot with Pulmonary Atresia, a complex and severe heart defect. What I understood it to mean was that she did not have a functioning pulmonary valve or a viable pulmonary artery. She had an overriding aorta, a ventricular septal defect, VSD, or hole between the two bottom chambers of the heart and right ventricular hypertrophy, where the right wall of the heart is more muscular because it has to work so much harder to pump the blood through the heart.

During this time, Maddie's care was managed by a team of doctors. This is particularly beneficial to Maddie because, when important decisions are made about her health care, they are supported by the wealth of information and expertise embodied in her team. The Cardiology Department stands out in that they were particularly sensitive to the emotional and mental components associated with chronic heart defects. Maddie's Cardiologist, Dr. Cnota, took the time to fully explain and go over her health care plan. He is still her Cardiologist. While Maddie is his heart patient, he never loses sight of the fact that she is just a child. Dr. Cnota has included her mom and dad as an integral part of her care team.

At six months of age, Maddie underwent her first open-heart surgery. The purpose of this surgery was to place a pulmonary valve in her heart and to perform a unifocalization procedure to provide blood flow to her lungs. The aim of the second heart surgery at 1-1/2 years of age was to improve the pulmonary vasculature, which could not be reached by the numerous cardiac catheterizations she had already undergone. The third surgery at 4-1/2 years of age replaced the first pulmonary valve and closed the VSD. She also had two stents placed in her heart to support the pulmonary artery created during the unifocalization procedure. While Maddie has undergone twelve catheterization procedures to date she will continue to have these procedures on a periodic basis to ensure blood flow to the lungs. She will also have the pulmonary valve replaced as she grows and as it wears out as an adult.

From prenatal counseling through open-heart surgeries, we have utilized the services of numerous departments at CCHMC. My granddaughter has been seen by a vast array of medical specialists from geneticists, nutritionists, the Feeding Team, Home Health Care Team, ENTs (had tubes put in and her adenoids removed), nephrologists (she has just 1 kidney), psychologists, ophthalmologists, orthopedics (she has scoliosis and wears a back brace 20-23 hours a day), OT/PT, anesthesiologists, education specialists, to cardiologists and cardiothoracic surgeons! She is also seen by the Kindervelt Neurodevelopmental and Educational Clinic on a regular basis.

While Maddie doesn't like going to the doctor or the hospital for the care she needs, it doesn't stop her from participating in normal kid activities! She participates in Brownies, soccer and basketball and has been in two school musicals. Maddie has also been a model as a heart survivor at the Annual American Heart Association Luncheon in Cincinnati.

With our granddaughter, our family counts our blessings every day, and those blessings include the CCHMC, physicians, nurses and staff.

Community rallies around Aiden; raises money for heart research

WILLIAMSBURG, Ohio (Brad Underwood) -- One in every 100 babies are born with a congenital heart defect (CHD); it's the most common birth defect. Without proper testing, undiagnosed conditions can be fatal. At Cincinnati Children's Hospital the work being done to test and treat children is something the Hatter family is beyond thankful for. Five years ago, Aiden Hatter was born with CHD but if you are lucky enough to meet him, you wouldn't know about his struggle.

"They look at him and he looks fine on the outside but he's broken on the inside," said Mike Hatter, Aiden's dad. "People don't understand that, so we want people to understand it, it's not just him it's every child with a heart defect." So two years ago Aiden's brothers started the fundraiser "Pull Tabs for Aiden" to help raise money for research and to let people know what their brother has and continues to go through. That movement has grown. At the home Williamsburg football game vs Norwood, a massive fundraiser kick starts the night. "I'm emotionally overwhelmed," said Kristal Hatter, Aiden's mother. "I'm just thankful that we do have these moments because five years ago I really didn't know what was in store for us." And the Hatters want to do their part to make sure that work continues for other families so every bit of money collected at the game is going to Cincinnati Children's for heart research. Every ticket and concession sale and every bit of Pull tabs for Aiden merchandise; tee-shirts, VIP passes, bracelets and gift baskets. All of the sales go to research. But the coolest part of the night for Aiden, he got to deliver the game ball to the officials but not before it was delivered to him after the Air Evac Life Team via medical helicopter.

KINDERVELT OF CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER
"...Having FUN while raising FUNDS"

THE BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including: the City-Wide Vice President who serves as Chair, the Immediate Past President, the Immediate Past Market Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be **dedicated and committed**; one who is **an ambassador for Kindervelt in the community**, who is **an active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the attached *Barbara Fitch Award Nomination Form* no later than April 25, 2016. In order to give a complete understanding of your nominee's qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you,

Stacy Durr-Stainton
City-Wide Vice President

THE BARBARA FITCH AWARD NOMINATION FORM

This form is not required to nominate someone for the Barbara Fitch Award,
it is just a guideline for the information needed for nomination.

Name of Nominee: _____

Nominee's KV Group: _____ Year Joined: _____

Your Name: _____ Phone: _____

Please answer all questions thoroughly, using additional space as needed. Remember that all nominees for consideration MUST:

- Be a current member of Kindervelt with at least 5 years of active service
- Have held at least 1 leadership position within Kindervelt (city-wide BOT, group officer or project chair)

List all positions held by the nominee:

Describe how the nominee exemplifies the previously defined characteristics. Please use specific examples and explain: (1) How does the nominee exhibit an enthusiasm and positive attitude toward the goals of Kindervelt?

(2) How has the nominee demonstrated her dedication and commitment to Kindervelt, as well as her generosity, helpfulness and giving of herself?

(3) How has the nominee been an ambassador for Kindervelt in the community, shown goodwill toward humanity and put others before herself?

ALL NOMINATIONS MUST BE RECEIVED BY APRIL 25, 2016

SEND OR EMAIL FORM TO:

Stacy Durr-Stainton • 6218 Orchard Lane • Cincinnati, OH 45213
