"HAVING FUN WHILE RAISING FUNDS"

**Cincinnati Children's Heart Institute/Kindervelt
Neurodevelopmental and Educational Clinic**

From the President

VOLUME 14 ● ISSUE 9
April 2016

Happy Spring! Looking at the Projects Calendar for April and May, we should be a busy group for that last push of fundraising before the Annual Meeting next month. We have Fashion Shows, Raffles, Cabarets, Derby Parties and Buncos – just to name a few. It looks like it will be a fun couple of months for us all.

Speaking of Annual Meeting, be sure to mark your calendar for May 18th. The meeting will be held at the Cincinnati Woman's Club. See the information from Eleni Zaferes later in the newsletter and make plans to attend. Eleni is planning a fun evening for us all, so look for the invitation and sign your group up to attend. This is our time to relax and enjoy distributing the fruits of our year-long labors. I encourage everyone to come and share in the joys of giving to others through our check presentation.

April is the month to start the transition to next year. It is the time to turn in officer lists for your group for next year. The new Guide Book is in the works so please turn in the lists as soon as you can. I encourage all the incoming Presidents to attend the May Presidents' Council meeting with the current President so that you can get a taste of Kindervelt workings. It is a wonderful time for sharing information and enthusiasm!

National Volunteer month is celebrated throughout the month of April. Volunteers really do make the world a better place. Within the Kindervelt world we especially respect the time, talents, and generosity of all our members, for we all are the ultimate volunteers. Every group is a mix of members with important contributions to make that are indispensable, offering value to not only our individual projects, but to the organization as a whole. Hats off to each of you as you celebrate National Volunteer Month. May you all treasure the knowledge that you are so special, and cherished for your consistent dedication towards Kindervelt!

Thanks to all of you for your continuous giving to Kindervelt. Come to the Annual Meeting and share in our success as a group of vital and appreciated members. Volunteering continues to open up our hearts for Cincinnati Children's and in May we will celebrate at the Cincinnati Woman's Club! Enjoy your busy month of April and know that every Kindervelt member is part of a larger family of dedicated folks trying to improve the lives of children. How wonderful does that make each Kindervelt member feel, as we always remember that working TOGETHER we can really make a huge difference!

From the Heart Institute.....

Sharing Asia's Heart Transplant Story Is Like Throwing A Pebble In The Water

This summer Asia went through driver's ed class. One day the students watched a video on organ donation. I had spoken with the instructor earlier in the week about Asia's heart transplant because she had been at a doctor's appointment. After the video was over, the instructor surprised Asia by asking her if she wanted to talk to the class about organ donation.

So she did. At age 15, she got up in front of 60 students and told them the story of how she needed a heart when she was a baby, of how an infant died, and of how his family chose to donate his heart so that Asia could live.

When she mentioned it to me after class, I told her what I've been telling her for years. She and her heart donor, Cole, might have just saved another life. I have often said when Cole's heart was transplanted into Asia, it was like a pebble was thrown into the water. And every time we tell their story, the ripple from that pebble keeps going further out. Cole's gift didn't just stop with Asia. A student in that class might become an organ donor now because of hearing her story.

Asia was featured in a Cincinnati Children's Tell Me a Story video four years ago when she was 11. Since then, to say she has been busy is a bit of an understatement. Her accomplishments are so many that I sound like I'm bragging when I list them. In reality, I am not trying to boast; I am just so proud of her. From soccer to track to piano and drums, Asia doesn't waste a minute of her life.

This year as a freshman in high school, she marched with the Lakota West Marching Band in the 126th Tournament of Roses Parade. The year before she was selected to participate in the wreath laying ceremony at the Tomb of the Unknown Soldier. She has marched in the Reds Opening Day Parade three times. She participated in the 2012 Transplant Games of America where she won six gold and five silver medals. She ended her freshman year with a GPA above a 3.9. She has visited the Ohio Statehouse to support legislation for organ donation. And I'm leaving a bunch of other stuff out! I think Asia fully appreciates that life is a gift. She doesn't seem to take one second of it for granted.

Bake homemade bread with our bread mix and some common kitchen items.

This versatile bread mix makes it easy to bake bread by three different methods:

1. Bread machine
2. Traditional
3. Quick bread (the most popular way to use our mix)

No bread making skills are required for the Quick Bread method. All you need are a can of beer, baking powder, and butter. In an hour, you will have hot bread fresh from the oven.

We offer five bread mixes: Tuscan, French Herb, Dill, Cinnamon Raisin and White. All mixes are \$5 each.

Group Events.....

Kindervelt #65

Our Spring Wine Tasting was a success with a record turnout. This event is becoming one of our most popular repeatable events.

Nothing better than making a toast to Children's while raising money for this worthy cause.

Bunnies & Babies

The children of Terrace Park enjoyed another wonderful Eggstravaganza on March 20. The event, which usually precedes Easter weekend, started with a chill, but the shining sun quickly warmed things up for the egg hunters and cake walkers alike.

Kindervelt #76 puts on the annual event at the village green and attracted more than 260 neighborhood children this year. Event chairs Kendall Shaw and Julie Fitzgerald put together this event with the help of their committee and were even able to recruit local girl scout troops to help stuff the eggs. Kindervelt's Eggstravaganza proceeds totaled nearly \$2,100 to benefit Cincinnati Children's Hospital, over \$500 more than last year!

The community came out in full force and won delicious baked goods in the cake walk, enjoyed pony rides, a bouncy house, a bouncy slide, balloon artists, refreshments, including delicious donuts donated by Ms. Cheri's in old Milford, and three separate egg hunts - from the littlest hunters to the biggest. The children of Terrace Park had a lot of laughs, smiles and happily consumed a lot of candy.

Kindervelt #76 aims to have fun while raising funds. The group contributes to the Terrace Park community in ways such as 2015's Lobster Bake at the pool, the Halloween used costume drive and sale, the Terrace Park Lighting on the Green, The Dessert Auction, and the annual Eggstravaganza. All proceeds from these events go towards Cincinnati Children Hospital's world renowned Heart Institute. If you have an interest in joining the group for the 2016/17 year, please contact Samantha LeBlanc, samantha.s.leblanc@gmail.com.

KINDERVELT OF CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER
"...Having FUN while raising FUNDS"

THE BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including: the City-Wide Vice President who serves as Chair, the Immediate Past President, the Immediate Past Market Chair, and two at-large members. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider any current Kindervelt member for nomination! This person should be **dedicated and committed**; one who is **an ambassador for Kindervelt in the community**, who is **an active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the attached *Barbara Fitch Award Nomination Form* no later than April 25, 2016. In order to give a complete understanding of your nominee's qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you,

Stacy Durr-Stainton
City-Wide Vice President
