"HAVING FUN WHILE RAISING FUNDS"

Cincinnati Children's Heart Institute/Kindervelt Neurodevelopmental and Educational Clinic

VOLUME 15 ISSUE 3 September 2016

An Update from the Division of Child and Adolescent Psychiatry:

We've been busy this summer! Thanks to your generous commitment to support mental health over the next four years, we were able to move forward in our plans to create a dedicated space for children and families experiencing a mental health crisis.

We immediately began renovations to a space in C2 to create the Kindervelt Psychiatric Emergency Assessment Center (KV PEACe). As we usually see an increase each fall of young people experiencing a mental health crisis (such as depression, suicidal thoughts, aggression, etc.), it was important that we complete this space before the start of the new school year. Construction lasted 10 weeks and wrapped up in middle of August –with patients and families using the space shortly after! We did a soft opening on August 22 , using the space only between 5pm – 1 am,

to ensure a smooth transition and use of space. In the first week alone,

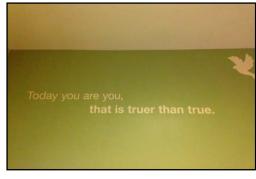

KV PEACe cared for more than 30 patients and their families. We

anticipate moving to a 24/7 schedule by mid-September and look forward

to offering this care around the clock.

We strived to create a center that is environmentally and therapeutically ready for psychiatric work, and could support the more than 20 patients per day who come to the emergency department in a mental health crisis. Located on the floor above the ED, KV PEACe has five rooms dedicated to patient evaluations and a large family waiting room. The rooms offer safe, soothing spaces for patients to decompress, be observed and receive necessary care. The care team works with families and outpatient providers to determine next steps, taking the time needed to involve parents, schools and other wrap-around services to ensure a care plan is in place. The goal is to help families address the immediate mental health needs of their child and create a plan for future support so that the child can then return home to their families.

We invite you to join us on future tours of the space over the next few years to learn more about this space and critical program. Thank you again for making this new model of care possible.

Welcome to a new year of "Having Fun While Raising Funds"! I hope you all had a great summer. It is now time to get back into the Kindervelt state of mind and plan some events!

It has been a busy summer with all sorts of events. We had the Western & Southern tennis tournament, Bleed for a Cause, a chili cook-off, Macy's Shop for a Cause, bake sales, wine tastings, Homefest, just to name a few. I hope you were able to participate in a few of them. It is a great opportunity to keep in touch with your Kindervelt friends through these events.

I want to thank all the members who are taking on a leadership role this year. It is you who keep our organization running smoothly. It is so important that our groups have leaders who keep us excited about raising money for the Cincinnati Children's Division of Child and Adolescent Psychiatry. I also want to thank this year's Board of Trustees and Nominating Committee. I look forward to a successful year together.

It is with utmost sincerity I want to express that every one of you is a valued member of Kindervelt. Each of us has something very special to offer our organization and it is the combination of us all that makes us great. I encourage you to promote Kindervelt by sharing your experiences with friends, co-workers, & anyone interested. Take them to a meeting or to an event. By doing this, we are raising awareness of Kindervelt and keeping our vision alive. Enthusiasm begets enthusiasm. Lets get the entire tristate enthusiastic about Kindervelt!

I look forward to working with every one of you. You are an inspiring group of volunteers. I know this is going to be a terrific year for Kindervelt!

It may have been a summer of unexpected tennis professional injuries...

And it may have been a record rainfall for one week in Mason, Ohio...

That didn't stop our very own Stephanie Janssen from rising above and recruiting all of the volunteers for Citywide Kindervelt in the Program Sales department. Thank you Stephanie for your unprecedented support and enthusiasm. Kindervelt 22 is so proud of all you do representing not only our chapter but also Citywide. How lucky are we! Job Well Done!

KV #78 - Thanks to Katrina Smith, Mary Beth Young, Wendy Holschuh, Sheila and Doug Maxwell, Nancy and Scott Morton and their children, who braved some nasty weather (or perhaps dodged those raindrops) while selling programs at the Western & Southern Tennis Tournament. Thanks to you, Kindervelt #78 was once again well represented among the volunteers for this fundraiser!

Applause!

KV #68 - Kudos to Marge Duffy for selling \$115 in Macy Shop for a Cause Passes!!! Thank you for your hard work and dedication!!

Tidbits

KV #77 - Happy Birthday to April Rainey - 9/6!

KV #56 - In anticipation of the upcoming Kindervelt Kraft sale days, our members have been working at our Craft Central location. Over the years we have moved crafting from house, to business and to other house locations. Carolyn Reihle has again relocated and opened her lower level into a great crafting location. We know that Carolyn ioves to craft and we love sharing her space with her. We have made some fabulous items and have always had a great variety of wonderful and professional looking crafts to sell. We try and keep up with the new trends but still present some tried and true crafts. Thank you to all our worker bees and our artistic and talented crafters!!

KV # 78 - Several of our members and their friends also volunteered as hostesses for houses at the Northern Kentucky Homefest, raising over \$500 for Kindervelt Krafts! Thanks to Katrina Smith, Anne Von Moll, Alvera Hassebrock, Mary Beth Young, Nancy Morton, Wendy Holschuh, Terri Dahlem, and Karen Young for donating your time to help us raise some money for our favorite cause! Special thanks to Katrina who put in extra effort and hours coordinating all the Kindervelt volunteers for this event.

Kindervelt #19 Patio Party

The ladies of Kindervelt #19 hosted another successful fundraiser at our "Patio Party" on July 21st at Jackie Clough's home. Thank you to all who came and supported Kindervelt. Everyone enjoyed the wonderful variety of food at the party. A big thank you to Scott Hau from "Uncorked at The Spicy Olive" for bringing such great wine for the wine tasting. The ladies had fun shopping with Silpada and as usual Heather from "nest" in Hyde Park had some great things to take home. Thank you to our vendors who always support Kindervelt and to Jackie for hosting the event.

NFL Survivor Pool - 2nd Annual

The NFL Survivor will test your skills in picking one winner among all the NFL teams that are playing each week. Sounds easy and it is! No drafting or point spreads and rosters to manage. Just straight up head to head play. Just pick one winner per week! The challenge and strategy that makes it interesting and competitive; once you pick a team, you cannot pick that team in subsequent weeks. Example: Week 1 you pick the Bengals to defeat the Jets. Bengals win... Good pick! You survive to play the following week. However, the Bengals will not be among the teams for you to pick the remainder of the season. You keep winning your match ups, the winning team you picked is removed from your list of options. The last person to survive wins the pot.

Second Story Auctions

October 26, 2016

Kindervelt has joined with Second Story Auctions to raise funds for our new commitment to the Division of Child and Adolescent Psychiatry. If you are downsizing, redecorating, moving (or know someone who is), or are a fan of Marie Kondo and her *Life-Changing Magic of Tidying*, please donate those items that no longer work for you. We will be collecting donations through September. Give a new life, a second story, to the furniture, artwork, jewelry, accessories, collectibles or other home goods that no longer work for you!

Second Story Auctions has created an auction that will carry the Kindervelt name, selling the items that have been donated to us. So we need lots of quality donations!! If you visit the Second Story Auctions website (https://www.secondstoryauctions.com/), you can visit their archived auctions to see what kind of items are normally found in an auction. [When you click on the Browse button, you'll see a button for "See all auctions".] While you are there, go ahead and register as a bidder because you never know what you might find!

Ready to donate a quality item? Smaller items can be brought to President's Council. To make other arrangements, or if you have questions:
