From the President

Although summer has come to an end and the leaves are starting to fall, Kindervelt is warming up for our busy season. The next few weeks will be filled with Kindervelt Krafts, Bake Sales, Casino Royale Fall Event and much more. A special thanks to the South Region for hosting an amazing Bourbon, Brews, and BBQ event Sept 6th. I also want to take a moment to welcome all the new Kindervelt members who have joined. Our membership continues to grow and I look forward to meeting all of our new members throughout the year.

Early September marked this year's first Leadership meeting and I was so energized by being surrounded by such an amazing group of talented women. Our inspirational quote to start the year was, "It May Not Be Easy, but it will be worth it." I find this to be true as we look at changes that we want to put into place to set up Kindervelt for success for the next 50 years. We also had the opportunity to hear from Dr. Daniel T. Starczynowski. He shared details about the breakthrough research that the **Advanced Leukemia Therapies and Research Center** has delivered and is working towards in the future focused on their "Bench to Bedside" strategy. Kindervelt is in a unique position to help support the growth of biorepositories/data registries for future research and accelerate the identification of new immune-based therapies that can lead to new drug candidates for clinical trials. I know many of you are eager to start sharing more information about the new division. We are working with the division and brand team to develop an information pamphlet to share.

The Fall event, Casino Royale, is right around the corner on Oct. 26th. Please mark your calendars for a fun-filled night with casino games, delicious food and dance the night away with the Blue Water Kings live band. Please spread the word and invite friends and family. We are also seeking sponsorship for the event. Please share sponsorship opportunities for the event. Please feel free to share the video link below to spread the word. [Casino Royale Fall Event Oct 26th](#).

Our Social Media Chair is hard at work keeping our social media channels updated with the latest information. Make sure to check out "Kindervelt Friday Facts" Posts and "Why Kindervelt Wednesday" which features KV member's WHY story on being a member of Kindervelt.

Lastly, the Kindervelt branding refresh is moving forward and we are eager to share it with the broader Kindervelt organization at our Fall Event reveal. Don't miss the opportunity to be among the first to see our new logo.

I would like to leave you with this quote, recognizing the importance of helping others.

"Life's most persistent and urgent question is what are you doing for others" Martin Luther King Jr.

Member Profile - Debbie Porter

Meet Debbie Porter our October member profile. She was born in Indianapolis, moved to KY and she says she was raised on Bourbon, Country Music and Wide - Open Spaces. Her work history in public relations includes jobs at the KY Speedway and the Indy Racing League.

In 2004, Debbie and her family moved to Cincinnati. Her younger sister, Chrissy needed a heart transplant and while her sister was a patient at Cincinnati Children's Hospital Medical Center, Debbie was able to witness firsthand all the incredible care and bedside manner of one Dr. Spencer, her sister's cardiologist. They refer to him as a modern day "Patch Adams." Chrissy is doing great to this day and pays tribute to her medical team at CCHMC.

After relocating to the Cincinnati area, Debbie began working as a Community Affairs Manager at WLV News 5. She met and married Joe Porter and together they have had several moves with his career at P&G. Their first child was born in Switzerland. They have since returned to the Cincinnati area and have grown their family. For the last five years, they have settled in Indian Hill. Debbie is currently working as a business entrepreneur and planner with Clover Hunt Events.

Her introduction into KV#50 was through Suzanne Nemeth. She was invited to join that group and Debbie has taken on the daunting task of Chairing our annual Fall Event. With her committees, they are presenting Casino Royale on Saturday Oct 26th at Fueled Collective in Hyde Park. Check out the event flyer and let's all support this fun night out.

Debbie has a full and busy life and thought this quote sums up her philosophy.

"Doesn't everyone die at last and too soon? Tell me, what is it you plan to do with your one wild and precious life?"

Thank you, Debbie, for making room in your life to help support other precious lives.

Group News & Tidbits

KV #3 (Hyde Park) is ready for another year of raising funds for Cincinnati Children's Hospital Medical Center! We helped jump start the year by organizing a South Region event with live music, BBQ, and bourbon, which was a big success, raising over \$6,000. We have several new members and are planning several events and activities to round out the year.

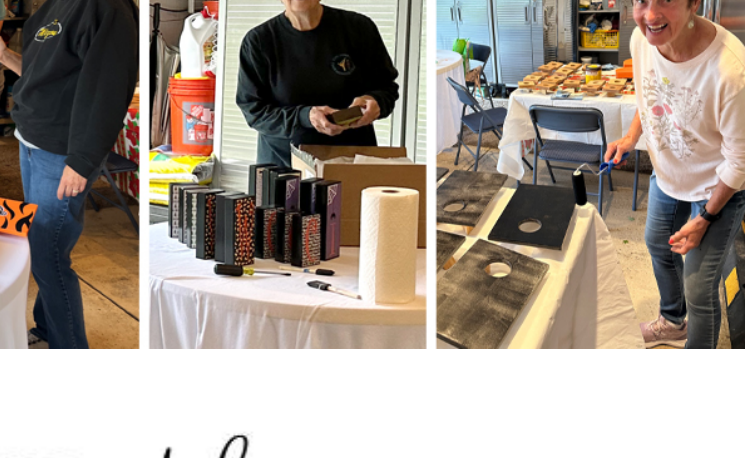

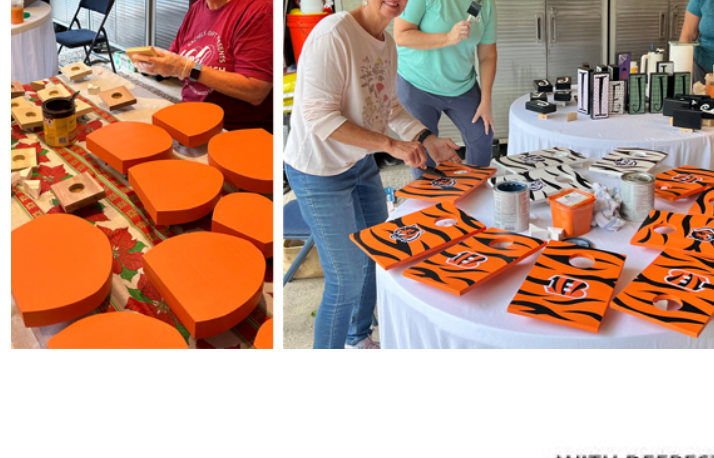

KV #22 is still "glowing" following the success of volunteers at the Cincinnati Open in August. Deb Clerc revealed that there were more patrons, sold LOTS of ice and less last minute volunteer slots to fill. Thanks, once again, to all the volunteers and support for this Kindervelt event! We also moved our usual meeting to a Thursday versus a Tuesday and are pleased with the turnout!

Top to bottom: Stephanie Janssen, Deb Clerc, Kathy Roth, Debbie Young, Perri Schenker, Lis Faber, Sarah Bell, Marla Gross, Bonnie Finn, Kristin Rose, Sue Crosby and Therese Hoying.

KV #44 will be participating in the Grace Holiday Market on November 2nd & 3rd, at the Scherzinger Farm located at 932 Cook Road, Lebanon, Ohio. We will have a wide variety of hand-crafted items such as children's sweaters, purses, hats, scarves, decorations and kitchen items. The market will be open from 10 am - 5 pm each day. Just in time for holiday shopping! 🍂 We are also holding a Friends & Family Holiday Open House. It will be on November 23rd from 10:00 am - 3:00 pm at the Shaker Trace Clubhouse located at 1A Shaker Run Drive, Lebanon, Ohio. We will again be offering various hand-crafted items and look forward to seeing everyone there! 🍂

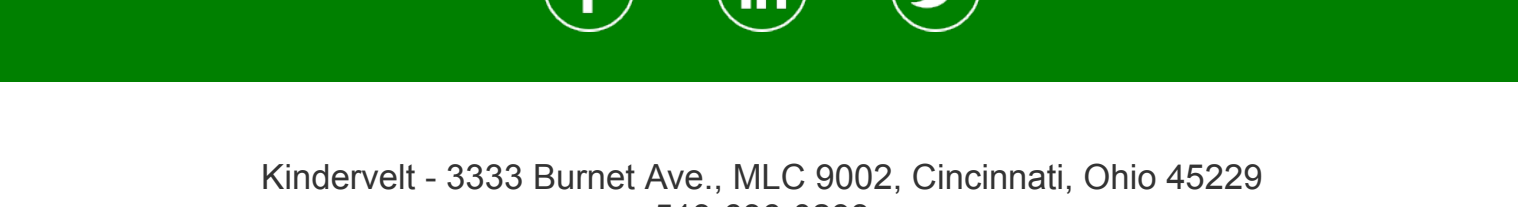

KV #56 Thank you to all our members who pitched in and made our Fall Boo-Bunco a great success! From getting the Wilder City Building reserved to overseeing the set up, picking up items for all the gift bags, food purchasing, prep and clean up! It is a job but many hands help! An extra measure of thanks for the crafts, door prizes, silent auction and raffle items that were made, donated and put together. A fun evening was had by all.

KV #65 is hosting a meet and greet October 9th open house for the community to learn more about our Kindervelt group! We are going to feature two fall themed cocktails that we will teach you how to make!

KV #68 would like to thank Molly Decker and her daughter Diane Campbell for hosting our September meeting and providing the delicious snacks and desserts. We would like to apologize to our newest member Erlene Ellis for neglecting to wish her a Happy Birthday on September 17! We wish you a belated Happy Birthday Erlene!

KV #78 is staying busy crafting! Still lots to work on. We had a very productive Saturday morning at Katrina's, busy week to follow. Thank you to Eric Flasher and his sister Katrina Smith for being our wood cutters and member Nancy Morton who also cuts our wood for us. Bet you can't wait to see our finished products.

WITH DEEPEST sympathy

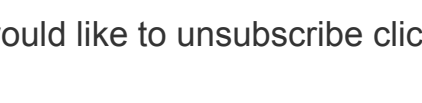

KV#56 sends our condolences to Nancy Bassarab on the passing of Ken Bassarab. He was father to Nick and Royce. Also, a great father in law and grandfather to 4 grandchildren.

KV #78 sends sympathy to Mary Beth Young and family on the passing of their dog Onyx. Onyx was around for many Kindervelt events for many years. He was a constant presence at our meetings, crafting sessions, garage sales and more. Loved spending time with all of us. He will be missed by our entire group!
