Bye-Bye Winter Blues

Jenny McNiese LPCC

Robert Frost once said, "You can't get too much winter in the winter". However, when the outside temperatures drop so do a lot of people's moods. It's pretty common to hear people talk about the "winter blues", feeling sad, sluggish, not wanting to leave the house, etc. But did you know that symptoms that occur the same time every year and are severe enough to affect your daily life could actually be a mood disorder? According to the National Institute of Mental Health, Seasonal Affective Disorder (SAD) is a type of depression that comes and goes with the seasons, typically starting in the late fall/early winter and going away during the spring/summer. It's diagnosed pretty often also. There are more than 3 million cases reported each year in the U.S. alone according to the Mayo Clinic.

So, what can one do? Experts recommend self-care including getting 25-30 minutes of exercise a day, better yet, do it outside! Being exposed to Vitamin D (or taking an oral supplement) can be helpful as well. If you can't bear the coldness you may also get a light box which mimics natural sunlight. If you are still struggling despite these changes, it might be time to seek out a professional for talk therapy and/or an evaluation for medication to help decrease symptoms.

From the President

I can't believe it's February already! I really hope the groundhog is good to us this year because we have a lot of upcoming events.

I hope everyone enjoyed the January Members' meeting at Arhaus. Robbie Sheeran, the store manager, did an excellent job in supplying us with a wonderful venue, good food and fantastic door prizes. When you are in Kenwood, please say thank you to the businesses that donated to our program. They are listed in the newsletter. Our guest speaker, Rachel McCoy, Clinical Counselor of Cincinnati Children's Hospital base in Indian Hill Middle and High Schools, gave us an informative presentation of the stresses and pressures on today's youth and their impact on mental health. If there is something you would like to me to explore for our future Members' meetings please give me a call or send an email. I want these meetings to be fun and educational and bring together current and new members.

Let the Good Times Bowl is scheduled for Saturday, February 23 from 2:30 PM until 5:00 PM at Stone Lanes (new location) in Norwood. The committee has been hard at work getting things planned for a really great event. They have an amazing silent auction, prizes, games, pizza and fun. Consider gathering a group of friends together to bowl. Everyone is welcome to stop by and cheer on the teams.

In the next couple of months, the nominating committee will choose the Board of Trustees for the 2019-20 year. I urge you to consider a position on the Board. It is a very important and rewarding experience.

The nominating committee will also choose people to run our Citywide events, The Gala/Fall Event, KV Krafts and Let it Bowl. If you would like to get involved in a citywide event, please let Sue Crosby know you are interested. Her contact information is in this newsletter. The entire new board and citywide event chairs are announced at the Annual Meeting on May 15.

Another important announcement at the Annual Meeting is the Barbara Fitch Award recipient. This award goes to a Kindervelt member who has demonstrated an exceptional commitment to Kindervelt. If you know of a Kindervelt member who deserves this award, please fill out a nomination form. Any active member is eligible to win this award. Encourage other members of your group to also send in nominations. The more information the committee has, the clearer the decision will be.

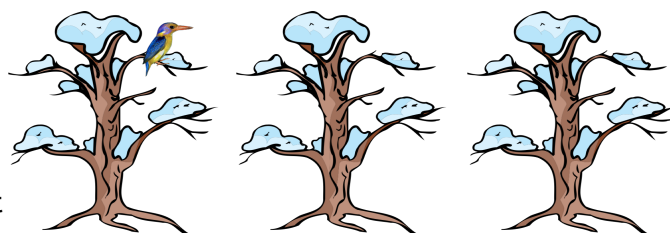

I encourage you to take a look at the "Upcoming Events" page in this newsletter and choose one to attend. Hopefully I'll see you there!

Thank you for all you do for Kindervelt,

Bonnie

KINDERVELT OF CINCINNATI CHILDREN'S HOSPITAL MEDICAL CENTER

"Together, we can make a difference!"

THE KINDERVELT BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Kindervelt Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Kindervelt Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the citywide Vice President who serves as Chair, the Immediate Past President or President Elect, the Annual Meeting Chair, and two at-large members appointed by the citywide President. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider for nomination, any current Kindervelt member in good-standing with at least 5 years service. This person should be **dedicated and committed**; one who is an **ambassador for Kindervelt in the community**, who is an **active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the 2019 Barbara Fitch Nomination Form - found on the Kindervelt website - no later than April 22, 2019. In order to give a complete understanding of your nominee's qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you,

Tammy Booth
Citywide Vice President

Please Note!
