### Kindervelt Psychiatric Emergency Assessment Center

From the Division of Child and Adolescent Psychiatry

VOLUME 15 ISSUE 7  
January 2017

It is important to know that children suffering from mental illness are not alone. Nearly 20 percent of children in the United States are believed to have a diagnosable mental illness in any given year. At Cincinnati Children's, we have extensive experience in helping young people manage their conditions so they can live their lives as fully as possible.

Cincinnati Children's Partial Hospitalization Program (PHP) helps children and adolescents, and their families, better manage mental illness, psychiatric symptoms, distressing emotions and disruptive behaviors. We help children develop coping skills they need to successfully return to their daily routine at home, at school, and in the community.

---

*"When I met all these people who know how I feel, I realized that life is worth living. I also learned some new coping skills, to stop being a self-critic, and to not sweat the small stuff."*

*~ Grateful Patient*

---

PHP is a day program that runs from 8:00am-4:00pm Monday through Friday; the average length of stay is 7-10 days. The families we serve are actively involved in treatment, as we work together on goals, and also addressing problems that may arise. Our philosophy is to return the children back to their normal environment as soon as possible.

Our team consists of clinical social workers, registered nurses, school teachers, doctors, APRN's, mental health specialists, and speech therapists. We take a team approach to ensure all the child's and family needs are met and, they reach their optimal level of functioning prior to leaving the program. We make sure appropriate services are in place in the community prior to discharge to make sure support continues after leaving our program.

---

*"I learned that everyone has a story."*

*~ Grateful Patient*

---

PHP provides a comprehensive, therapeutic program to help them better manage school anxiety, distressing emotions, disruptive behavior, and mental illness. PHP offers:

- \* Individual Therapy
- \* Group Therapy

- \* Family Therapy
- \* Education Services

- \*Psychiatric Consultation
- \*Recreation

We currently have two Children's Hospital PH programs, one at Lindner Center of Hope, the other in Green Township. We are considering the option to develop a third site on the East side of town.

For more information on the Partial Hospitalization Program, please contact Sarah Sullivan by email at [sarah.sullivan@cchmc.org](mailto:sarah.sullivan@cchmc.org).

## From the President

*Happy New Year! I hope that you all enjoyed your holiday time with family and friends and are now rested and ready to begin a new year filled with promise.*

*January is the time for New Year's resolutions. Consider resolving to get more involved with your volunteer work and take on a new role in Kindervelt. We are beginning the nomination process for the 2017 Gala Chair-elect, Kindervelt Krafts Chair-elect, Let the Good Times Bowl Chair-elect and the 2017-18 Board of Trustees. Being a part of the Citywide Board is a very rewarding and positive experience and gives you an entirely new aspect of Kindervelt. In order for Kindervelt to remain a successful organization, we must continually be looking for fresh faces and new ideas to add perspective and depth. You can expand your involvement by joining the Board of Trustees or consider leading one of our Citywide events in 2017. Please email or call Mary Anne Stenger, the Nominating Chair, or contact any board member or myself for information about serving. Your local group will also be looking to fill its slate of officers for the coming year, so please consider the many ways you can become more involved.*

*The "Let the Good Times Bowl" committee is very busy planning their bowling event. Team registration is available on the Kindervelt website along with raffle ticket sales, and sponsorship opportunities. Please join us on February 25<sup>th</sup> at Axis Alley, Newport on the Levee for a fun filled day. I encourage you to spread the word about this citywide event and sign up at least one "team" from your friends, family, and business contacts. Our goal is to fill up the lanes for both sessions with 100% participation from people interested in having fun while supporting Cincinnati Children's and KV PEACE..*

*The Barbara Fitch Committee is currently accepting nominations. The Barbara Fitch Award is presented at our Annual Meeting in May to an active member who has demonstrated exceptional commitment to Kindervelt. If you would like to nominate a Kindervelt member you feel has demonstrated the spirit of this award the nominating forms are on line and in our newsletter. Vice president Stacy Durr-Stainton will answer any questions you have about the submission process.*

*I wish you a most happy, healthy and prosperous 2017.*

Tracy Smith  
Kindervelt City President

*Let our New Year's resolution be this: we will be there for one another as fellow members of humanity, in the finest sense of the word.*  
Goran Persson

**KV #8** - Many thanks to Jackie Smith for "managing" our Christmas Tree Sale again this year. We truly appreciate all of your efforts to organize all of the details from ordering to delivery to staffing the sale. Thanks also to all of the KV #8 members who stepped up to fill every sign up spot. It was truly a group effort, and with everyone's help, this event continues to be a Wyoming tradition!

**KV # 78** - Thanks to our members who shoveled sand for our luminaria kits, and to Laurie Halmi for coming to our rescue and providing sand when our usual source fell through at the last minute. # And the Kindervelt Celebrations Continue....

KV #19 had a fun holiday celebration on December 14th. Thank you to Jackie Clough for hosting the event. The Chinese gift exchange was a big hit again this year and the singing flamingo was the prized item of the evening! We also joined the Heritage Club Ladies Golf League at their social event the week before to say farewell to Karen Ianuzzi, one of our very dedicated members, who is moving to Florida. Karen and her energy will be missed!

At the holiday celebration we did take a moment and discussed our upcoming Lunch at the Links on April 29, with the "New York, New York" theme. If you would like to join us to work on this great fundraiser for Kindervelt, please get in touch with Jill Barnes, our membership person or Jackie Clough, our sponsorship person. We are looking forward to a really fun event this year and "having fun while raising funds".
