## From the President

Cincinnati Children's Hospital moved to #2 in the Nation. WHY? Because of people like YOU!!!

Summer is flying by as we are preparing for another fantastic year of raising funds for Kindervelt Psychiatric Emergency Assessment Center.

I want to thank you for allowing me to represent all of you as your president. Your outreach to help has been tremendous! I have received phone calls from distraught parents about their suicidal children who have been battling depression. It is not only devastating to the suffering children but to the parents and other family members as well. It's heart wrenching! Those dealing with this crisis are so thankful for everything we are doing for the Kindervelt Emergency Assessment Center. Those phone calls motivate me to strive to do more, and I hope all of the groups will push themselves as they begin to plan their events this year. I challenge you to explore fresh ideas, add a unique project and try new things - every penny counts!

A new event this year is a partnership with EnterTRAINment Junction for their 10<sup>th</sup> Birthday! We will be receiving a portion of the ticket sales for the birthday party lasting from August 1<sup>st</sup> through August 10<sup>th</sup>, so start spreading the word! Please read the press release in this newsletter to learn about all of the great activities and giveaways they have planned. We will be manning a table on August 4<sup>th</sup> and 5<sup>th</sup> to bring awareness to Kindervelt and Cincinnati Children's Hospital; if you can help out please go to the website and sign up.

Another great event is the Western & Southern Tennis Tournament taking place August 11<sup>th</sup>-19<sup>th</sup>. It's a great time being involved in the hustle and bustle of exciting tennis. Kindervelt receives a portion of all programs sold. The money raised is divided between the groups that participate, so your group will get full credit for your participation. Please go to the Kindervelt Website ([www.kindervelt.org](http://www.kindervelt.org)) and sign up.

Finally, do you want to find out how Cincinnati Children's Hospital became #2 in the nation? Please mark your calendars and plan to attend our Members' meeting on October 9<sup>th</sup> at the Red Cross Building. We will begin with a social hour at 6:00PM, at which we will be sharing some exciting news!

Thank you so much for all you do! My door is always open to you. Your dedication to Kindervelt and Cincinnati Children's is over the top!

Together, We Can Make A Difference.

Bonnie Hueneman

Kindervelt City President

# NFL Survivor League 2018

## Get Ready For

### Wyoming Kindervelt #8 NFL Survivor League 2018

The NFL Survivor Football League will test your skills in picking one winner among all the NFL teams that are playing each week. Sounds easy and it is! No drafting, point spreads, or rosters to manage. Just straight up head to head play. The challenge and strategy that makes it interesting and competitive: once you pick a team, you cannot pick that team in subsequent weeks. Example: Week 1 you pick the Bengals to defeat the Ravens. Bengals win... Good pick! You survive to play the following week. However, the Bengals will not be among the teams you can pick the remainder of the season. Your goal is to pick ONE winning team each week. The last person to survive wins.

Again in 2018 you get a "Mulligan" or 1 loss and you continue playing! Do not quit playing if you lose 1 game. You play until you have 2 losses. Last year it went down to the last week. I do not believe the Browns will lose every game this year!

- Choose ONE team to win from head to head teams each week.
- Each week ends after Monday Night game. Each week begins the following Thursday night game. You must have your pick in for the week prior to the kick-off of the Thursday night game. You can change your pick any time after Monday night and prior to kick-off of your team.
- Track the teams and standings, monitor your progress along with team information, statistics and injury reports at NFL.com.
- Lose once and play on. Lose twice and you're out. Whoever is the last survivor wins!
- In the event of a tie, entries will be ranked based on the combined record of the NFL teams not yet picked. Should a tie still exist, entries will be ranked based on time stamp of the latest pick made.
- Winner will receive 30% of total proceeds. Remaining balance will go directly to Cincinnati
- Children's Hospital through Kindervelt #8.
- Entry fee must be paid prior to start of first game on Sept. 7 or picks will not count.

Spouses, family, friends, acquaintances, Facebook, chain letters, pass the word!

Everyone is welcome to join with a \$25 paid fee! The more that participate, everyone wins!

More information to follow on how to sign up and play in the next few weeks on [www.kindervelt.org](http://www.kindervelt.org)
