Celebrate SUCCESS

2017 Barbara Fitch Award Winner

Congratulations to **Marsha Bernecker** of Group #16 (White Oak), this year's Barbara Fitch Award Winner!!! Marsha has been dedicated to Kindervelt for over forty years and has served as the secretary for her group for over 35 years! Her role as secretary is much larger than documenting minutes for the meetings. She is primarily responsible for soliciting donations for all of her groups' events. She is the most persistent and persuasive recruiter of new members for her group and has even gotten her daughters involved. She also acts as the chair for many of Group 16's events. One fellow group member describes her as the "rally leader" for their group. She is the cheerleader that gets everyone excited about the events which generates great attendance from the group and their community!

She goes by the title of "secretary" for her group, but she does so much more than that—publicity, membership, business solicitations, event chair—more like a secretary on steroids! Her work may not be glamorous, but it is essential to keeping our organization running smoothly! As a fellow Kindervelt member put it, without our "behind the scenes" person handling all of the details and administrative activities, our events would not be as successful!

In addition to her extensive Kindervelt work, Marsha is also a wife, mother of three, and grandmother of five! Another fellow Kindervelt member said she is the most dependable person! She does so much, but never brags about her work. Well, Kindervelt is happy to brag about Marsha's work. Congratulations and Thank You, Marsha for your dedication to Kindervelt!!

A Special Thanks from Marsha

Thank You to the Barbara Fitch Nominating Committee Members - Linda Lunceford, Kathy Roth, Bonnie Hueneman, Charlotte McBrayer, Jan Huegle, April Rainey and especially Stacey Durr-Stanton for presenting me with the 2017 Barbara Fitch Award. If you were at the Annual Meeting and Dinner, you know that I was genuinely surprised and so very, very humbled for recognizing me as this year's recipient. I certainly have a lot to live up to, especially when I see the past awardees and their continuous commitments, dedication and valuable contributions to CCHMC. Kindervelt has meant so very much to me and my family and friends, but it is even more important to the many, many children and families whose lives have been impacted by Cincinnati Children's Hospital and Kindervelt "Having Fun While Raising Funds". Thank you again for this wonderful award and a very special 'thank you' to my friends and family in Kindervelt #16 who nominated me!

**A Special Thank You from Dr. Michael Sorter
Director, Division of Child and Adolescent Psychiatry**

A Message From Dr. Sorter:

I want to express my deep gratitude for everything that Kindervelt has done to help support the mental health needs of our community. Your investment in the Kindervelt Psychiatric Emergency Assessment Center (KV PEACe) continues to fuel some truly remarkable outcomes. You have touched the lives of so many and provided hope for a brighter future. I hope you'll share my excitement over two significant achievements:

- The KV PEACe space has served **over 2,100 patients since August**. That is an amazing number! The KV PEACe space was instrumental as we provided the best possible care to every single one of those patients.
- Among patients who came to the Emergency Room with mental health concerns and were eligible to be moved to the KV PEACe space, **over 95% ended up getting services in KV PEACe**. That is a lot of great work by everyone involved to make this work operationally and get the patients who need the quieter space into KV PEACe.

I am sorry that I was personally unable to attend the annual meeting and be a part of the unveiling of all your hard work and dedication. But I celebrate your contributions, totaling \$545,000 to support our patients!

I was pleased to hear that Dr. Shari Jefferies spoke about the needs of these patients, about the shortage of psychiatrists to serve them, and about the opportunities that we at Cincinnati Children's have to support the community.

We are proud of what we have accomplished. However, we continue to challenge ourselves to meet the needs of the patients and families struggling with mental illness. We will again end up with a 10+% increase in children coming to the emergency room for mental health reasons this year. So there is no slowing down for us. We are excited with multiple projects under way to help patients transition to the best care possible for them.

It is always such a pleasure to meet with those of you who are able to visit the medical center. Your dedication and generosity is an inspiration to our staff, and your work has led to direct benefits in care to children and families. Thank you!

I look forward to our continued partnership with Kindervelt. There's no telling what we can accomplish together!

Sincerely,
Michael Sorter, MD

From the President

Thank you all for your hard work last year fundraising for Cincinnati Children's and KV PEACE. What a fabulous gift we gave to the Department of Child and Adolescent Psychiatry. Every member of Kindervelt should be so proud of the work we do.

So, here we go, the beginning of a new fiscal year of "having fun while raising funds" for KV PEACE. Let's strive to have another very successful year supporting mental health.

I have been telling you of some upcoming changes to Kindervelt. These changes take effect on June 1, 2017 with the start of the new fiscal year. I will give the highlights, and you can look forward to receiving a letter later in June with all of the details.

Changes made are:

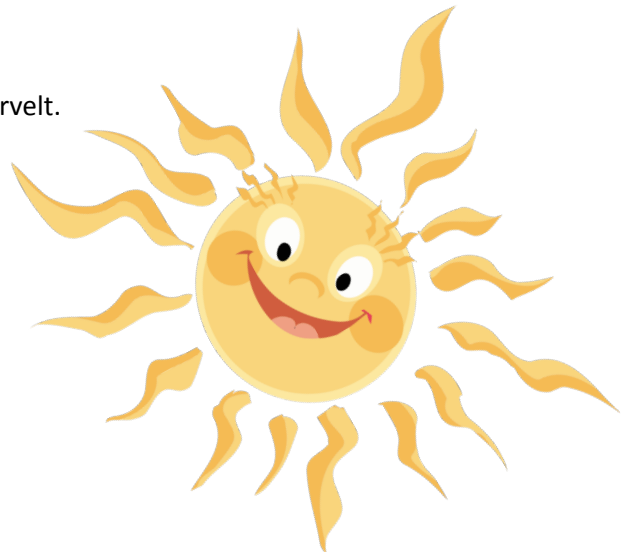

1. Addition of a Kindervelt Citywide Member.
2. We have removed the City Event Chairs from the Board of Trustees and changed the term for Past President / President Elect (new position).
 - ♣ The current Krafts and Let the Good Times Bowl Chairs and Past President are grandfathered in their terms and will remain on the BOT until their term is complete.
3. Creation of Kindervelt Membership Meetings:
 - ♣ All KV members (neighborhood group and citywide) will be invited to attend the General Membership Meetings.
 - ♣ Each meeting will include a keynote speaker that will be of interest to our membership, a short business meeting to promote events, drinks & appetizers.
4. Creation of KV Leadership Meeting (formerly called Presidents' Council):
 - ♣ This meeting will be formatted the same as our current President's Council. The meeting will be held the first Monday of the month in October, November, February, and March at CCHMC.

The Board of Trustees' goal of making these changes are to keep Kindervelt strong and make it more appealing to all types of new members. I hope you are as excited about them as I am.

Have a wonderful Summer.

Thank you for all you do for Kindervelt.

Tracy Smith
Kindervelt City President

Kindervelt Krafts Update

Hope all of you wonderful Kindervelt Krafters have begun creating some fantastic projects for our Fall Kraft extravaganza! Our committee is busily finalizing plans for this year's event.

We will have an opportunity to sell our hand-crafted items on Thurs, Oct 12 at CCHMC in the pre-function area outside Sabin Auditorium. In previous years, the employees have shown great enthusiasm for purchasing our unique creations; delicious baked goods; and purchasing chances on our exciting raffles. Once again, you'll man your table and there will be a central check out. Details on the outside Krafts event will be announced soon. Let's work together to make this event grow!

In an effort to minimize meetings, we chose not to have a Spring Rep meeting. I will be calling each KV group's Kraft Rep or President in the next couple of weeks. Meanwhile, please call me with questions, suggestions or comments- Libby Baker 859 331-4108 H or 859 640-8834 C. We're looking forward to hearing about all the beautiful, creative items being produced by our talented members.
