"HAVING FUN WHILE RAISING FUNDS"

KV PEACe

Kindervelt Psychiatric Emergency Assessment Center

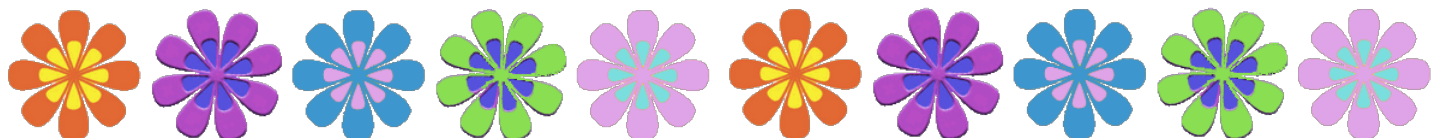

VOLUME 16 ISSUE 11
May 2018

KV PEACe Corner

Blooming flowers, budding trees, warmer weather and rainy days are all the things we expect in the month of May. You may not know, but in 1949 a Presidential Proclamation was made to declare May to be observed as Mental Health Awareness Month. The purpose was to raise awareness, provide information on treatment, dispel the myths and reduce the negative attitudes and misconceptions that we call stigma.

When a child is diagnosed with cancer, family, friends and neighbors rally around that family and child to provide support and comfort. When a child is diagnosed with a mental illness, it is a secret. The child and family are on the journey of recovery on their own. It is a secret because of stigma. Being diagnosed with any medical disorder can be frightening and force a person to make life changes. Being diagnosed with a psychiatric illness can be frightening and force a person to make life changes, as well it can also be isolating, blaming and shaming. Stigma often holds a child or family back from seeking help or treatment. Early identification, interventions and treatment have a significant impact and will reduce the impact of mental illness.

The staff at Cincinnati Children's Psychiatric Intake Response Center acknowledge Kindervelt for the courage to reduce stigma and change the outcome for our children who live with mental illness. KV PEACe and the Bridge Clinic are providing access for children and families who may not seek assessment and treatment. Mental Health Awareness Month is observed every May, but through each of your efforts you are raising awareness of mental illness, dispelling the myths, and reducing the negative attitudes and misconceptions every day and every month. Thank you for your continued efforts in providing access to recovery for our children and families.

From the President

May 2018 is a bittersweet month for me. These are my final days as Kindervelt's Citywide President and I must admit I am both happy and sad. It has been a most rewarding two years for me serving as President, and I know Bonnie will do a fantastic job as our incoming leader. I will support her in her quest to keep Kindervelt of Cincinnati Children's the powerhouse nonprofit that it is.

Linda Deters and her committee have been busily planning our "groovy" Annual Meeting. If you haven't registered yet at kindervelt.org, please do so. This is such an inspirational evening of fun and celebration. It is a great rejuvenator of your commitment to Kindervelt. The evening will focus on the "PEACE" portion of KV PEACE with a retro theme. Feel free to have some fun dressing in "period" attire. No matter what you wear, this will be a FANTASTIC night. I do hope you will come.

Thank you all so much for the support you have shown me in my term as President. I truly could not have done this without the guidance and encouragement of the Board of Trustees, Keith, Kelly and the Development office, members of my group KV #57, and so many more. You have made my time as President a most memorable one.

With sincere gratitude,

Tracy Smith
Kindervelt City President

Member Profile

Linda Rutz Deters grew up in North College Hill and attended McAuley High School as well as the University of Cincinnati. She and her husband, Dave, have been married 33 years and have raised three daughters (all who live out town) and their son who attends St. Xavier High School. Linda has been selling real estate for 35 years and is currently with Huff Realty in West Chester.

The West side was the start of many introductions into Kindervelt. Linda's Aunt, Marsha Bernecker, (last year's Barbara Fitch award recipient) was a member of KV#16 and held a fashion show event with a grand prize raffle. Linda attended, won the raffle and felt obligated to join Kindervelt. She is coming up on 35 years of involvement with #16.

Many city-wide events were done in the past, and Linda was involved with them including Tennithon by hosting overnights at Colonial Racquet Club. Linda has been her group's President (at least 6 terms), Sunshine person, and Market (Markt) Representative and has coordinated Bunny Brunches, Boo Lunches, and Scavenger Hunts. She has been instrumental in organizing social events with Mike Davis (ELVIS Impersonator) with the late Logan, a former CCHMC patient. She has also played a major role in organizing Cocktails for a Cause, an event that always makes "happy hour" even happier. She currently holds the VP position in her group, is our Annual Meeting Chair, and will be holding the position of West Region Leader beginning in June

Linda would love to have members join with her and her committee for our Annual Meeting on Wednesday, May 16th at 6:00 pm at the Cincinnati Woman's Club. The theme is "Bringing Peace of Mind to One Child at a Time". More details can be found in the newsletter on page 4. The evening promises to be "Peaceful" with a 70's theme if you dare to dress up. Come in your Painted Volkswagen Beetle Bug!

After 19 continuous years of starting off the Holiday Season the Saturday before Thanksgiving with our Train Ride we will not be celebrating our 20th year. We regret the train ride you will see in Lebanon, OH on November 17, 2018 at the Lebanon Mason Monroe Railroad will not be run by Kindervelt and will not benefit Cincinnati Children's Hospital Medical Center.
