Cultivating Resiliency in Children

Regina Vogt-Purdon, LISW-S

March is both Child Life and National Social Work month, in which we celebrate the important work these professionals do to support children. But you don't have to be one of these professionals to help foster resiliency in children. Resiliency is defined as the ability to "bounce back" when presented with a challenging situation. Children growing up in today's world have more stress than children in past generations. We can help combat children's stress and build their resiliency using these simple techniques:

1. **Be Supportive:** Strive to be in the moment with your child - this includes taking time away from [your](#) electronic devices to be completely present. Build a strong family network to support your child through not only the difficult times, but the times of celebration. A positive outlook enables your child to see the good things in life and keep going even in the hardest times.
2. **Be Consistent:** Predictability and reliability are necessary interactions with your children. Sticking to a routine can be comforting to children, especially younger children who need structure in their lives.
3. **Be positive and nurture a positive self-view:** Help your child remember ways they have successfully handled difficult situations and how those situations will help them manage challenges in the future. Help your child to trust themselves to solve problems and make appropriate decisions. The way we speak to children directly impacts their resiliency. Here are some examples of healing words to use with children:

"This is a safe place for you."

"I'm happy to see you!"

"It's okay for you to feel that way."

"You are such a strong person."

From the President

Spring is almost here and Kindervelt events are popping up all over the calendar. There are fashion shows, luncheons, Bunkos, bingos, candy sales, cabarets, and much more. I am really excited to attend as many of these events as I can! Check out the "Mark Your Calendars" page to choose which events you would like to attend.

I'd like to congratulate Kris Spencer, Jean Strasser and the Let the Good Times Bowl committee for a very successful bowling event. A great time was had by all!

Our final Member meeting of the year will be held in Liberty Township, OH on April 2nd at Sabin Hall in the Liberty Center. Our speaker will discuss the topics of anxiety and depression. Please mark your calendars for an educational and fun night filled with food, drinks and door prizes. An event Evite will be sent to all members; please try to invite a friend.

A survey was sent out about the Member meetings. Please take a minute to fill it out. My goal has been to invite engaging speakers to our meetings to educate our division on pertinent issues. I would love your feedback on the format of these meetings. I want these meetings to bring us all together. Remember, "Together We Can Make a Difference."

Thank you for all you do for Kindervelt. You are so appreciated.

Bonnie Hueneman

Never a dull moment as we work to keep active in our community, network and have fun with great friends!

KV #77 thanks Lizzy Harold for hosting our February meeting at your house.

Congratulations to **KV #50** Cabin Fever Co-Chairs Jen Bahl, Allison Thorton, Jennifer Herzog and Candace Cioffi. Their amazing leadership, focus and hard work made the "impossible" into "I'm Possible" as KV50 shifted from 2 annual events to one event with the same fundraising amount goal! The Ladies of 50 are so proud of you and your incredible efforts. We can't wait to announce the grand total raised next month.

THE KINDERVELT BARBARA FITCH AWARD

Dear Members,

In 2005, the Kindervelt Board of Trustees was looking for a way to recognize individuals who **exhibit an enthusiasm and positive attitude toward the goals of the organization**. Thus, the Kindervelt Barbara Fitch Award was created. This annual award was named for one of our founding members who has since become a prominent supporter of Kindervelt and the needs of Cincinnati Children's Hospital Medical Center.

The Kindervelt Barbara Fitch Award committee is responsible for the selection of the recipient. This committee is comprised of five Kindervelt members including; the citywide Vice President who serves as Chair, the Immediate Past President or President Elect, the Annual Meeting Chair, and two at-large members appointed by the citywide President. After all qualified nominations are reviewed and a decision made, the nominator will be contacted to ensure the recipient, along with friends and family, attend the Kindervelt Annual Meeting where the award is presented.

The committee is looking for an exemplary individual to honor, so please consider for nomination, any current Kindervelt member in good-standing with at least 5 years service. This person should be **dedicated and committed**; one who is an **ambassador for Kindervelt in the community**, who is an **active contributor to her local group**, and who **gladly gives her time, talents and energy** to promote our cause. The nominee should **represent the true spirit of charity** as well as **embody the mantra "others before self"**.

If you know of an outstanding Kindervelt member who personifies these characteristics, please submit the 2019 Barbara Fitch Nomination Form - found on the Kindervelt website - no later than April 22, 2019. In order to give a complete understanding of your nominee's qualifications, I encourage you to be explicit and submit feedback from multiple members to support your nomination. And as a reminder, this is a confidential process and the announcement of the winner is kept a surprise.

Thank you,

Tammy Booth
Citywide Vice President
