Division Happenings...

A word from the Division of Child and Adolescent Psychiatry

John Pestian, PhD, MBA, is a Cincinnati Children's researcher whose life's work is about saving lives in a way few in the medical community can.

He has spent years analyzing thousands of suicide notes to determine the language of suicide. He has published multiple peer-reviewed articles and was awarded a patent for his technology. Now, he's teaching computers how to listen and report back about what they think they've heard from people to try to identify suicidal behavior.

He and his research team have come up with an app to help others, such as school counselors, get suicidal teens the help they need sooner.

His hope is that this technology can be used as a tool to help people make decisions that will get suicidal teens the right help. Four Cincinnati schools are piloting the app.

From the President

I can't believe I'm wishing you a "HAPPY FALL", but here we are already into October. There are many events coming up in October and November so mark your calendars.

The first Kindervelt Member Meeting is under our belt and was a huge success. I think everyone who attended had a great time and got all sorts of tips from our speaker Jill Haney of JH Image Consulting. If you couldn't attend, I hope you will join us at the January Member Meeting. Details on that meeting will be forthcoming.

Kindervelt Gala is almost upon us. There is still time to make your reservation, but **HURRY!**. If you haven't decided to attend, please consider the importance of supporting our citywide events. The Gala this year promises to be a fantastic time. From the view from Anderson Pavilion of the Ohio River to the Cajun food and Zydeco band this is going to be one fun night! Attire is festive, but not formal. As Jill Haney would say, "Smart Casual". I do hope you will attend. You will be eligible to win 2 Cincinnati Symphony tickets for the 2017-2018 season if you **bring 2 non-Kindervelt guests to Gala**. Let's show them that Kindervelt knows how to throw a party.

We also have Kindervelt Krafts coming up. The big event that is open to the public is November 4 at Princeton High School's Viking Village. This is a new event space so I hope your group is making some things to sell. There will also be two additional shows at the hospital for employees and patient families. If you have any questions, contact Libby Baker at kvkraftchair@kindervelt.org.

I am looking forward to a busy but very successful year of having fun while raising funds for Kindervelt and Cincinnati Children's.

Thank you so much for all you do!

Libby Baker

Meet Libby Baker

Elizabeth Graham Baker was born in Charleston, West Virginia, and is the third of four daughters. She attended Glenville State College and then followed one of her sisters to Cincinnati, where she attended Thomas More College and then took a job with TV Guide. She is married to William Hayden (Hayd) Baker and has 2 sons, Ethan and Jeb. Libby enjoys needlecrafts, crafting, creating and beading jewelry items, reading, and relaxing in their beautiful flower-filled yard. She is an avid tennis player, golfer, and bridge player, too.

Along with spending time with her family, playing sports, and enjoying her hobbies, she has committed a great deal of time over the years to volunteering for various organizations. She served as Lakeside Park Recreation Director and continues to promote Lakeside's involvement with Adopt a Unit (America Supporting Americans). This organization supports service personnel who are deployed from Ft. Campbell with many fundraisers and special events.

We are so grateful that she has also invested a great deal of time with Kindervelt. She was the President of KV #56, Northern Kentucky, for many terms and has held the positions of VP, Projects, Sunshine, and Special Events Coordinator for her group as well. Libby's list of involvement is very long....In a nutshell - she has chaired Tenni-thon, worked with Steeplechase, the Nat'l Collegiate Rowing Event, Sports-thon, an ice skating event, golf outings, and Let the Good Times Bowl. She has worked on various Markt committees and has created many Market (Markt) crafts for her group. She is an integral part at her group's Craft Central work sessions.

Libby is a great baker (as her married name implies) and has coordinated her group's many bake sales over the years. When #56 picks a new project, Libby jumps right in and makes everything work. KV Bunco events are a prime example. She has a talent for persuasion and really rallies her volunteers into making events a huge success.

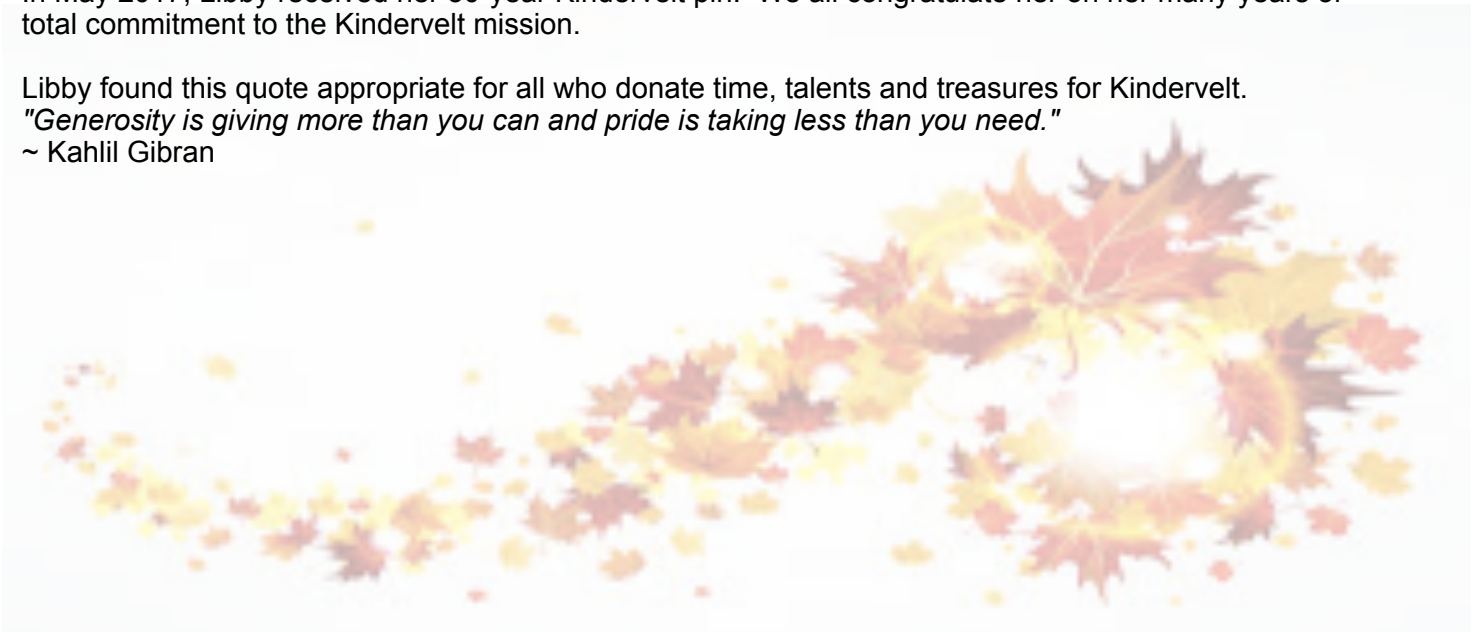

Libby's newest venture is Chair of Kindervelt Krafts. Last year, she was chair-elect as Bonnie Hueneman, 2016 Kindervelt Krafts Chair, successfully changed the direction of this event. Please support the new location and earlier time by working with your group's Kraft chair and sending in new and updated crafts, bakery items, and long-time favorite food and product items. Please mark your calendars for Kindervelt Krafts (refer to page 5 for details). Don't miss out!

In May 2017, Libby received her 30-year Kindervelt pin. We all congratulate her on her many years of total commitment to the Kindervelt mission.

Libby found this quote appropriate for all who donate time, talents and treasures for Kindervelt.

"Generosity is giving more than you can and pride is taking less than you need."

~ Kahlil Gibran

Notes from your Nominating Chair

Hello and Welcome to the 2017-2018 year,

I will be the Nominating Chair on the Board for the upcoming year. My job, along with the other members on the Nominating Committee, is to prepare a slate of officers for the next year, talk to people about Event Chair positions, and fill any vacancies that may occur on the Board of Trustees. This job starts early because we are currently looking for a Gala Chair for 2018 and a chair for "Let the Good Times Bowl" in 2019.

Please submit your name and email address to me if you would be interested in learning more about the Gala or Bowling position.

Thank you,
Char McBrayer, Nominating Chair

For one day only, on the Saturday before Thanksgiving, November 18th, Wyoming's Kindervelt Group #8 will again host this fun event, with the vintage train departing from the Lebanon Mason and Monroe Station in historic Lebanon Ohio.

Included in the festivities are cookies, cocoa or coffee, costumed characters, carolers, narration of the book, *The Polar Express* (copies available for sale), Christmas songs enthusiastically led by elves, a personal visit with Santa and much more.

The train has seven departure times, from 10 a.m. to 5:30 p.m., with each ride lasting 45 minutes. See flier for specific departure times. Tickets are \$19.00 per person. Group tickets must be ordered together.

As in the past, all proceeds benefit Cincinnati Children's Hospital Medical Center, specifically the Kindervelt Psychiatric Emergency Assessment Center supporting Mental Health. (KVPEACe)
