## <u>Calendar</u> <u>Ongoing Projects</u> <u>Membership</u> <u>Board of Trustees</u>

From the President

March 2025 Newsletter

Dear Kindervelt Members,

developing this important resource.

Roaring into March brings so many exciting updates to share with all of you! I recently had the pleasure of attending the Pickleball Lobs of Love tournament on February 22nd. It was truly energizing to see so many of you come together to sharpen your pickleball skills while raising funds for the Cincinnati Children's Advanced Leukemia Therapies Center. What a fantastic way to combine fun and philanthropy!

As we look forward to the Kindervelt Spring Craft Show on March 6th at the Children's Hospital main campus, I wanted to take a moment to reflect on our recent leadership meeting. It was wonderful to finally meet many of you in person! A heartfelt thank you to Bonnie Collins for sharing her moving story about her daughter Maya's brave battle with AML. Though we lost Maya, her spirit continues to inspire and uplift those fighting similar battles. We were also fortunate to hear from Dr. Starczynowski, who expressed his gratitude for all the hard work Kindervelt does to support the Center's vital research.

For those who couldn't join us on February 10th, we proudly revealed our new Kindervelt logo! It was met with enthusiastic applause, and I want to extend a huge thank you to Katie Gawne, our Marketing Chair, for her dedication and hard work alongside the Board and the Children's Marketing team. A Branding Guide will be shared soon, detailing how to use our new logo across all marketing channels. While the new branding will not be mandatory until June 2025, you might already notice some exciting updates on our social media and website! In conjunction with our new logo, the hospital has created an informational pamphlet showcasing Kindervelt's support for the Advanced Leukemia Therapies Center. A big shoutout to Keith and the hospital marketing team for their efforts in designing and

Don't forget, our City Wide Bowling event is just around the corner on March 8th! It's not too late to sign up and join in on the fun. If bowling isn't your thing, consider volunteering we'd love your help! I'm particularly excited about our new venue at Madison Bowl in Oakley. Our External Relations team has also been hard at work, collaborating with Sophisticated

Living to feature Kindervelt in their Sophisticated Giving 2025 publication. This unique opportunity will bring visibility to our mission and the impactful work we do, reaching over 11,500 homes in March. Be sure to keep an eye out for the magazine and share it with friends and family! Lastly, mark your calendars for our Annual Meeting on Thursday, May 22nd, at the Terrace

Park Country Club. Join us for an elegant dinner as we celebrate our achievements and look forward to an even brighter future! As I wrap up this note, I'd like to leave you with a quote that resonates deeply with our mission: "When the vision is clear, the results will appear. Keep your mindset positive as you work your plan, flourish, and always remember why you started." — Germany Kent.

Thank you for your continued passion and dedication to Kindervelt. Together, we're making a difference! Warmly, Warm regards,

Kindervelt City President The 2024-25 Kindervelt year is more than half over and we still have much more on the calendar!

Suzanne Nemeth

## towards the goals of Kindervelt. Nomination forms and a cover letter which explains the award and past winners can be found using the links below. New this year,

an online form!

One important item is the Barbara Fitch Award nomination process. This award is Kindervelt's way of recognizing one our own who exhibits an enthusiastic, positive attitude

The deadline for submissions is April 15. The award will be presented at the Annual Meeting on May 22. For questions, please reach out to Jennie Strode jastrode75@gmail.com.

Barbara Fitch Award Cover Letter **Board Nominating Committee** 

The Nominating Committee is working to fill the Board of Trustees positions for the fiscal year 2025-2026. This is a great opportunity to share your talents and interests by becoming a BOT member.
