Today's the Day! Kindervelt Krafts at Seton High School!

President's Message

As we prepare for the upcoming Thanksgiving holiday, there's so much to be thankful for! I'm especially grateful for the opportunity to be part of the Kindervelt Organization. The incredible women I work alongside never cease to inspire me. Together, we truly live our motto: *"Together we can make a Difference"*—whether it's a large gala or a small fundraiser, every event matters. I also want to thank my family and friends for their unwavering support, which allows me to bring my best self to Kindervelt. This season, take a moment to thank those who make a difference in your life too.

The Kraft season is in full swing, and if you haven't explored the amazing, handcrafted items created by our talented KV crafters, now's your chance! There's still time to shop and support at our citywide Kraft events at **Seton High School TODAY, and at CCHMC on Thursday, Nov. 6**. Don't miss these beautiful creations!

Mark your calendars for our Fall event, Denim & Diamonds, on Nov. 7—a sparkling evening of fun with delicious food catered by Eat Well, live music from the Artie Dean Harris Band, and a featured sip of New Riff Bourbon. **It's not too late to register**—limited seats remain! Get Your Tickets & Raffles [Denim & Diamond Tickets & Raffles](#). If you cannot attend, you can still join the excitement by bidding on our raffle and silent auction items online. **A huge thank-you to Debbie Porter and the entire Fall Event Committee for making this night possible.**

Wishing you a joyful Thanksgiving filled with gratitude, laughter, and cherished moments with family and friends!

This is the original Children's Hospital, located at the corner of Park and Yale Avenues in Walnut Hills. The residence could accommodate 14 patients in three small bedrooms, with just one bathroom and no operating room. During their first year, 38 children were treated here.

During the October tour, we had the chance to visit many fascinating places, including this beautiful old library filled with historical treasures and volumes of rare materials. Wish we wrote down how cold this freezer full of specimens was that Dr. Starczynowski opened for us. We all highly recommend this opportunity.

With Deepest Sympathy

As a member of that group she served on several KV Boards and was the first person elected to a 2 year term as City President. She was very instrumental in the successful operation of the 1987 World Figure Skating Championship held here in Cincinnati. Marilyn was a talented writer and editor and so was Printing Chair for the WFSC. Her son, John, designed the mascot "Blades" for the event. Marilyn went on to serve on the boards of both Cerebral Palsy and Stepping Stones. She was an eloquently passionate woman who made a positive impact on all her endeavors and all who knew her.
