

President's Message

I'm excited to kick off the 2026/2027 Kindervelt year, with our first leadership meeting coming up on September 14th. I can't wait to welcome everyone back as we start another meaningful year together. As we begin our third year working with the Advanced Leukemia Therapies and Research Center, I'm thrilled to build on the amazing fundraising success we had last year.

This year gives us a great chance to spread the word about Cincinnati Children's Hospital and invite others who care about this important mission to join us. By keeping our focus on the children we serve, I'm confident we can reach our goal of presenting a \$1 million check to the division in year four.

Please mark your calendars for Friday, October 30th for our fall event, *Dancing for the Kids*. It's going to be an exciting evening with our talented "Star" Dancers taking the spotlight. I encourage you to get your tickets early and invite your friends and family. Since we're expecting a big crowd, we're offering **special pre-sale tickets just for Kindervelt members from September 1st through 3rd**. Don't miss out on this fantastic evening! We're also still looking for sponsors for this great event, please let us know if you think of anyone who might be interested.

I'm looking forward to working with all of you this year. Together, we make a real difference, and I'm grateful for your ongoing commitment to Kindervelt. Here's to a wonderful year ahead!

KV#19: Enjoyed some time together at Kendra Scott in Liberty Center for a Kendra Gives Back Sip & Shop. The event was a chance to catch up and mingle with 20% of purchases going back to CCHMC. The shopping session raised over \$300 and counting!

The group is excited to kick off the new fundraising season on September 9 by hosting their Open House for new members at the Heritage Club beginning at 6:30 p.m. Returning members are encouraged to bring a friend to learn about the important work Kindervelt does each year to raise funds for the hospital.

KV #49: Sends their best wishes for a speedy recovery to our long-standing member Joan Cody. Joan recently had knee replacement surgery. We know you'll be back on the tennis courts and the walking trails very soon! Hugs to you Joan!

Congratulations to our KV #49 member Lisa (Alan) Schwartz. Her son Jacob recently married his high school sweetheart Alex (Davis) on July 18th. Jacob is not only one of Cincinnati Children's success stories, but also one of the reasons we all work so hard to support such a wonderful institution.

KV#56: is sending a special "thank you" to both Mari Torgerson and Libby Baker. Thank you for taking on the job of President Co-Chairs and keeping our group going strong! And to all our members whatever position you have and whatever job you do- you are most appreciated!

KV#22: kudos and Congratulations to Deb Clerc and Susan Karbowski and ALL the volunteers for the fantastic job with the Cincinnati Open! Neither rain, heat, mud nor tornados kept the record breaking crowds away from the updated Mason facility! Well done to you, the coordinators and all your helpers for the extended contest! KV22 is SO PROUD of YOU!!!

KV#57: Has Logowear for all your Kindervelt Events!
T-Shirts, Sweatshirts, Beanies, Caps and Totes.

KV #78: Has been crafting away—even when the power goes out! We're working hard and getting ready for the first craft show on September 5th, and it's coming up quickly! A big thank-you to everyone who has attended our workshops, including our wonderful family and friends, and a special welcome to potential new members Kathleen & Stacey. We're so glad you joined us! There's lots of crafting, creating, and excitement happening at KV #78. We can't wait to share what we've been working on at the craft show!

Congratulations

Congratulations Kindervelt #16!

We raised over \$3600 at your Luncheon and Bunco event on Saturday, August 15th. Thank you to all our members and guests who helped make this event such a success for Cincinnati Children's Hospital! We're getting 'rave' reviews and hope to repeat next year. Thank you!

Deepest Sympathy

In Loving Memory of

Sheila Mulligan

KV #22 is sad to announce the passing of our long distance member, and mother of Deb Clerc, Sheila Mulligan. Sheila lived in Scotland and visited the US several times a year, attended KV activities and supported KV#22as a full member. Sheila was passionate about the children, loved the social aspect of KV#22, and always had a smile on her face. She was warm, and tender, and welcomed all with open arms. Sheila will be missed dearly, and be remembered by those lucky enough to have known her-especially those in KV#22.

KV#49 former longtime member of KV #49 Patti Roppa recently lost her beloved husband Ron. Our thoughts, hearts and prayers are with you and your family Patti.

KV #56 wish to extend our deepest sympathy to Debbie Z. Linneman on the passing of her brother, Ron Zerhusen. A donation to Kindervelt was made in his honor.
